STOCK SIRES USED *(more details on the website):*

LOWERYE ERIC – ZVY 4090 If you want width and flesh, Eric's the one. He is an exceptional ram backed up by exceptional Signet figures. He weighed 68kg at scanning and had an eye muscle depth of 41.1 mm. At the time, he had the highest muscle ebv EVER recorded, the highest muscularity EBV EVER recorded and the highest gigot shape score EVER recorded. EBV 402.

INGLIS CHALKY – CN 2048 Purchased privately as a 6 year old after using his semen, Chalky was an immensely powerful ram with top 10% growth rate. He was owned jointly with the Mortimer flock. EBV 349.

RAINBOW HOUSE OF LETTERAWE – XPU 7009 1st prize stock ram in the Central Region flock competition, he scanned with an eye muscle of 40.9mm and a gigot muscularity of 7.92. Bought privately after winning 1st prize ram lamb at Stafford Show, his progeny from Eric's daughters have outstanding shape. EBV 342.

LOWERYE IMPRESSIVE – ZVY 8250 A son of House showing incredible shape and muscling. He is the highest index stock ram in the scheme. EBV 459.

LOWERYE JUGGERNAUT – ZVY 9040 A son of L.Del Boy out of an ET sister to the double RASE winning Rutland Ensign, he was our fastest growing lamb in 2009. He was Champion Junior Stock Ram in the central region flock competition. His lambs all have exceptional power and shape with incredible heads. He CT scanned with a gigot score of +8.03. EBV 357.

BRETTLES JET SET – WF 9078 Sired by the legend that is Rockvillla Golden Promise, Jet Set was the fourth highest index lamb in 2009. He had a CT muscularity score of +6.22 and has a fantastic length and depth of loin. EBV 447.

MORTIMER INVESTMENT – HH 8169 Purchased at Builth Wells in 2009, where he was 1st prize shearing and the top priced Charollais. Sired by the 7,100 gns Galtres Favour, he is absolutely full of meat with a great skin. He is jointly owned with the Gogwell flock.
