# Shearling Ewes tested ARR/ARR for Scrapie

## MR C W MARWOOD & SON (FOULRICE)

We are pleased to present six shearling ewes which would be an asset to any flock with tight skins, good loins & gigots. We have always paid attention to a ewe's ability to milk and rear lambs well, so you will not be surprised to note that our flock average for maternal ability is in the top 7% of the breed.

**SERVICE SIRE: Dalby Sherman 17PE05855** the second highest recorded ram lamb in the breed, purchased at Worcester Premier for 5,100gns. A very correct showy lamb with excellent growth and muscle. **Foulrice Penrod 15DG05809** a tremendously long, hard fleshed, upstanding ram with good backend. **Foulrice Majestic 12DG02005** by the same sire as Foulrice Nuria sold to Eddie Buckley for 5,600gns. **Hyde Radio5Live 16SU00606** purchased from Stuart Dunkley for his extreme muscling.

## MR EDWARD MIDDLETON (ASHBY)

*I have the pleasure of offering 8 super in lamb shearling ewes, the first shearling ewes to be offered for sale from the Ashby flock. All are very well bred with a lot of potential. They haven't been pushed for the sale and are very naturally grown. On the Heptavac P system and wormed. Definitely worth a look! I look forward to seeing you at Skipton.*
