General Information

The Sale will commence at 12 noon.

The sale is held under the auspices of the **BRITISH CHAROLLAIS SHEEP SOCIETY** and all sheep will be sold subject to the Rules and Conditions of the Society. Copies are available from the Society or Auctioneers.

All sheep will be sold in guineas (105 pence) and strictly in catalogue order. All sheep to be sold singly.

LICENSES Vendors are responsible for completing their Standard Movement Documents prior to the sale. The Market Holding Number is 10463 8000

HEALTH The sheep are from a Maedi Visna Accredited flock registered with the SAC Sheep & Goat Health Scheme.

All sheep will have been subject to **INSPECTION** by an official Society Inspector

SCANNING RESULTS All ewes will be scanned with results available on the day of the sale or printed in the catalogue. This in no way guarantees the number of lambs at birth. If any female sheep which is described in the catalogue or at the time of sale as being “scanned in lamb” or “in lamb” proves not to have been in lamb at the time of sale and within 7 days after the day of sale the Purchaser gives written notice to the auctioneers of his intention to return the animal supported by a veterinary surgeon’s certificate that such sheep has proved not to have been in lamb then the purchaser may return such sheep to the vendor. Ewe lambs are sold as empty.

PEDIGREE CERTIFICATES & SCRAPE GENOTYPE CERTIFICATES

Pedigree Certificates will be available at the Auction Mart Office on the day of the sale together with certificates of Scrapie Genotype for all sheep that have been tested.

BIO-SECURITY Current DEFRA regulations are to be observed.

The breeding information, comments and photographs for sheep in this catalogue have been supplied by the vendors. While every effort has been made, the Society cannot be held responsible for any inaccuracies or omissions.

Introduction

It is with some sadness that I offer all my ewes and ewe lambs for sale. I started the flock in 2000 with a couple of ewes purchased from Viv Crocker at Exeter NSA Ram sale. This was followed by a trip to a female sale at Exeter which resulted in a flock of 10.

A couple of years later I added a few from Richard Willcocks and Eric Sleeps production sale. I have never sold females at auction before, only selling eight ewe lambs from home over the years.

I have always culled hard trying to build up quality on a budget! I have been lucky enough to enjoy some success at shows, probably the highlight being 1st prize ewe lamb at Royal Cornwall Show with Thornetown Honolulu. She also gave me my 1st interbreed, going on to win 5 in total.

I try to breed naturally fleshing sheep off grass as my repeat customers for rams don't want pushed sheep. All the ewe lambs were shorn in May and have been predominantly grass fed.

I have also been very proud to be named Champion South West Flock three times including 2016.

Please contact me for any further details.

Guide to Service Sires & Sires

Arbryn Nugget - Scrapie Genotype ARR/ARR

Purchased Worcester Premier Sale for 2600gns in partnership with John Osbourne. He was much admired being out of the multi show winning ewe Elmwick Kit Kat. We were lucky that he was 3 from the end of the sale or our pockets may not have been deep enough! Breeding ewes with tremendous back ends and wide loins. Many of his brothers have made high prices and one won the Royal Welsh as a lamb for his breeder Arwyn Thomas. Breed Index 297 Scan EBV 8.00, Muscle EBV 3.65, Fat EBV 0.31.

Thorntown Proper Job - Scrapie Genotype ARR/ARR

Highest index lamb from Knocking Off, out of a huge but very correct ewe. Breed Index 355 Scan EBV 10.55, Muscle EBV 4.47, Fat EBV 0.69.

Parkgate Predator - Scrapie Genotype ARR/ARR

Son of Carnew Nijinsky. Placed 4th at the Royal Highland Show.

Foulrice Picasso - Scrapie Genotype ARR/ARR

Son of Dalby Mount Aloe. Placed 3rd at the Great Yorkshire Show.

All ewes were AI'd on 10/07/2017 and have been running with the same rams since. Rams used were Arbryn Nugget and Thorntown Proper Job.
