MR & MRS A J WRAYFORD (WOTTON)

Having reduced out flock last year, we have reluctantly decided we should disperse our flock completely, just lambs being retained to sell as shearlings. We have enjoyed breeding Charollais sheep and thank the Charollais Sheep Society for their support over the years. We purchased our first Charollais ewe in 1989 and have been a closed flock except for rams since 1992. In 2013 all the females in the flock were scrapie genotyped and now the whole flock is from group one stock. These ewes were shorn mid-May and will be sold untrimmed, so buyers will be able to see their real shape and good back ends. This is a chance to buy some of our best breeding.
