One off chance to buy something very special for the future, mother has been in the show team every year with great success, her best accolade to date was Champion at the Highland show last year. She has milked a tremendous pair of lambs this year and last and we think a great deal of her. We will be reluctant to see this sheep go but are pretty confident she will do an outstanding job in any flock! Grandmother is the much renowned Riverdale Iris and Grand Sire Crogham Hannibal II

Not only is this lamb a full brother to the record breaking Knockin Shockin' (sold for 25,000gns to Robert Gregory at Premier Sale 2017), but he is in the top 1% for his index! This lamb is more compact than his brother with great width and serious backend! At on farm scanning he had a 35.7mm eye muscle depth, he then CT scanned very well with great loin muscle found, my best gigot shape, and a total eye muscle area of 39.42cm²!!! Dam has grown into a huge ewe, and Shockin' has put his stamp on his sons, he has bred very consistent lambs at Edstaston, again with the figures to match!

Stormer's dam has a massive gigot and tight skin and was purchased from the Aberkinsey dispersal for 1,350gns. Her dam was sold on the same day for 3,700gns. Three of his lambs this year averaged 2,200gns at Worcester premier sale. **FFRWD TYRONE- 18YET01833** - Jointly purchased for 6,200gns at Worcester Premier from Dewi Evans.
