BRIEF DESCRIPTION OF THE FLOCK

The aim at Edstaston Charollais is to produce fast growing, lean and well-muscled sheep off a predominantly forage-based diet. Apart from the breed's Premier Sale at Worcester, where we have sold lambs up to 4,200gns, the majority of our ram lambs and shearling rams are sold off farm to repeat customers.

We sell a small number of females every year at Worcester Saucy Sale where we have gained a reputation of selling genuine sheep that go on to perform for other flocks. We support a small number of local shows including the Royal Welsh, which we won in 2005. We have also won numerous interbreed titles for both groups and individuals at other shows attended. Over the years we have purchased high indexed well-bred rams with a view to keeping Edstaston Charollais at the forefront of Charollais genetics in the UK. We have exported a number of sheep and semen to Europe and further afield.
