### ORDER OF SALE (as agreed and carried out by NSA)

The 2021 vendors brought forward from 2019 will be divided into three sections. The last third will be moved to the front, the middle section to the end & the first 1/3 will move to the middle where they will be subject to a ballot. The other two sections will remain in their previous year's order. With this system vendors will only change order every third year & with balloting the middle section no-one should find themselves unfairly balloted. New vendors will be placed at the beginning & end of the ring, as happened previously.

A favourite of mine from day one. This ram lamb has been used on a selection of our best pedigree ewes this year due to his growth rate and correctness. He has great strength and plenty of power behind him. Both lambs weighed over 100kg by date of entry.
