BIOSECURITY

Intending purchasers are requested to have livestock vehicles cleansed and disinfected.

LICENCES

Vendors are responsible for completing the Standard Movement Document prior to the sale. The Holding Number for Builth Wells Showground is 52 216 8003

COVID REGULATIONS

All vendors must check and adhere to current Covid regulations.

MAEDI VISNA

All vendors must ensure that a fully completed MV certificate accompanies their sheep to the sale.

METHOD OF SALE All sheep will be sold in guineas.

CONDITIONS OF SALE

All sheep will be sold subject to the Conditions of Sale of the British Charollais Sheep Society and to the Auctioneer's General Conditions of Sale, which are available in the Auctioneer's office.

PEDIGREE CERTIFICATES

Pedigree certificates relating to the sale will be available from the Auctioneer's office on the day of the sale. See note below with regard to Notified Males.

PEDIGREE STATUS FOR MALES

Would purchasers please note that there are two different status of registration for Charollais rams, Full Pedigree and Birth Notified. All full pedigree rams are marked as such in the catalogue and have been upgraded by the breeder, all other rams have notified status only.

No pedigree certificates are issued for notified rams and these rams are not eligible for use within a pedigree flock until they are upgraded to full pedigree status. If full pedigree status is required then a fee of £20.00 plus VAT is payable to the Society.

SCRAPIE GENOTYPE RESULTS

The Scrapie Genotype results listed in this catalogue are guaranteed to be correct by the person whose name appears as the Vendor in the catalogue. Whilst the Society will make all possible effort to provide purchasers with the correct information, they can in no way be held responsible for any error or omission of information.

AMENDMENT TO THE BALLOT SYSTEM

The following procedure will be followed for the above Society sales at both the Early & Main Sales held at Builth Wells.

The 2021 vendors brought forward from 2019 will be divided into three sections. The last third will be moved to the front, the middle section to the end & the first 1/3 will move to the middle where they will be subject to a ballot. The other two sections will remain in their previous year's order. With this system vendors will only change order every third year & with balloting the middle section no-one should find themselves unfairly balloted. New vendors will be placed at the beginning & end of the ring, as happened previously.

SCRAPIE GENOTYPE CERTIFICATES

It is the responsibility of the vendors to take the individual Scrapie Genotype certificates for their sheep with them to the sale and hand them to the purchasers. Please **DO NOT** hand them in to the auctioneers as they do not wish to be held responsible for their safety.
