Tullyear Service Sires

Logie Durno Van the Man 20ZNN31972

Purchased privately from the Ingram Family, the first time I have purchased a ram without handling him but we were not disappointed a super muscled ram who has kept his shape after running with ewes. His dam was purchased at the Wedderburn Dispersal Sale for 3800gns and was bred by the Edstaston Flock of Robert and Jeanette Gregory. His top 3 lambs this year selling for 2700gns, 2300gns and 2100gns.

Bolinaspect Voltage 20A1720043

A grandson of the 5,200gns Foulrice Nuria. Purchased for his tremendous gigots and correctness which he has passed on to this year's progeny.

Loanhead Waterboy 21WNC37458

A son of Arbryn Viper who bred both the Worcester and Dungannon Premier sale champions this year. A powerful great bodied ram. Dam is a sister to the mother of Wall Street 8,500 gns and Winston.

Duiske V Man D820011.

Shearling Ram purchased at the Tullow Premier Sale from the Duiske Flock of Gerry and Dymphna Grogan for the record price of 9,000 Euros. A stand out ram, this ram has everything that we look for in a Charollais ram, hopefully he will connect well with our Flock. Lot numbers 22 and 38 are scanned In lamb to him.

Tullyear Stock Sires

Springhill Royal Commander

Purchased privately as a lamb from Graham Foster, Royal Commander went on to win Champion Junior Stock Ram in the Flock Competition a stylish ram with great topline and giggots he was the sire of Tullyear Silver Dollar who was Champion Shearling at Dunannon Premier 2018.

Tullyear Unbelievable 19QY03178

Royal Commander son from our J17 Line. Dam is one of the best ewes in the flock. A ewe with plenty of power and bone which this ram definitely has. Ewe lamb selling to 1500gns

Dalby Tarquin 18PE06856

Purchased Worcester Premier 2019 for 3,600gns. Unfortunately we lost him in his first winter. A great muscled ram and we are very reluctantly selling these gimmers out of him.

Loanhead Topgun 18WNC22676

Purchased at Worcester Premier 2018 where he stood second in his class, his full ET brother winning the Championship. Top Gun has grown into a very impressive ram leaving a very even and correct batch of progeny with several rams selling to pedigree breeders. His son Tullyear Untouchable was Champion Stock Ram in Northern Ireland's flock competition. His daughter Tullyear Uptown Lady (pictured below) sold for 7,500 gns at last year's Production Sale. Topgun is Lot 37 in the sale.

Tullyear Untouchable 19QY3251

2021 Senior stock ram winner Region 8, first time ever a homebred ram has won this in Northern Ireland. Our best Topgun son. Always stands out. Very correct. One we couldn't part with as these top rams are hard to find.

Tullyear Stock Sires

Edstaston Toulouse Lautrec 18TG00740

Purchased at Worcester Premier 2018 from the Edstaston Flock of Robert and Jeanette Gregory. He stood first in his class, a son of Knockin Shockin he has proved a very consistent Sire producing some great Males and Females. He has bred females to 5,500gns Tullyear Uptown Girl (pictured below)

THOMPSONS

FEEDING INNOVATION

As lambing season nears, it's a good time to review dietary protein levels, since udder development and milk supply are particularly sensitive to protein nutrition.

If your forage is low in protein, feeding Thompsons' Super Hi-Lamb Ewe Nuts for the next 2-3 weeks will correct the protein shortfall at the critical stage of pregnancy, when there is a spurt in lamb development and the ewe requires key nutrients.

For further help and advice, contact Thompsons' Technical Team or your local sales representative.
