Another year has flown by and I would like to thank all the purchasers who supported us at last year's sale. It is very pleasing to hear good reports of ewes and their progeny going on well for their new owners. A big thank you to David Roberts, Boyo flock for purchasing 19DQ02098 for 3,000gns and 19DQ02123 for 1,100gns with lambs being retained in his flock from both ewes.

## **ELMWICK SERVICE SIRES USED IN 2021**

### **Boyo Where's Wally (21 XHE00803) - ARR/ARR**

Bought privately from David Roberts from the Boyo Flock. Wally is a tremendous outstanding ram lamb, he has an extremely good deep gigot with an excellent skin and exceptional hind legs. He has been used heavily within the Elmwick flock and ran with all the yearling ewes after Al'ing. I am looking forward to see his progeny.

**21XHE00803 - Boyo Where's Wally**

### **Runningburn War Lord (21VDU00289) - ARR/ARR**

Bought from the premier sale from Jim Neil. This ram caught my eye when walking round the pens a real eye catching ram lamb full of presence and style. He has an extremely good top line and good gigot. He stands perfect on all 4 feet with plenty of width between his back legs.

**Runningburn War Lord (21VDU00289)**

Ewes will be rescanned the week of the sale and the results will be declared at the sale. All ewes are genotyped ARR/ARR

We are scrapie monitored, MV Accredited, FABBL registered and Signet recorded. All ewes have been vaccinated with Toxovax & Enzovax. Scanned in-lamb to their AI date of 9th July or service date stated then ran with Boyo Where's Wally 21XHE00803

Well here we are again, without any shows in our area this year, it has been another quiet one for the Castellau flock.

It is always so good to hear of sheep that have done well for their new owners. Oliver Chapman had 1st and Reserve Male Champion at the Great Yorkshire and Interbreed Champion at Drifffield with Castellau Uncle Tim. Matthew Bevan has used a lamb that was 1st prize Signet Lamb at Builth by Va Va Voom out of a ewe he purchased last year on his best ewes. Finally David Roberts has sold a ram lamb privately to Springhill Flock out of the Castellau ewe he bought a couple of years ago for 1,200 gns.

## **Service Sires used in 2021**

**CASTELLAU WILLY WAGTAIL (21TZ03402) - ARR/ARR - (pictured left)**

His sire Artnagullion Trojan was Champion Ram Northern Ireland Flock Competition 2019. Trojan's sire Knockin Shop was sold for 6,000gns. Willy Wagtail's dam has produced Rhianna - 4th prize yearling Royal Welsh 2017. She has also produced 4th prize ram lamb Royal Welsh and the Reserve Champion Builth I Sale in 2019. Willy

Wagtail is a smart lamb with a great loin, backend and skin. He was used on AI and has run with the ewes since.

**CASTELLAU LORD OF THE MANOR (11TZ00252) - ARR/ARR**

*(pictured over)* This year I have used Lord of the Manor on AI day. He was Reserve Breed Champion and part of the Interbreed pairs Champions and Interbreed Group Champions at the Royal Welsh 2011. His dam Champagne was Reserve Champion Royal Welsh 2003. He has produced One in a Million who was top price at Worcester 2014. One in

a Million was Champion Stock Ram Northern Ireland Flock Competition 2015, 2016 and 2017 and recently sired the Champion and 2 top prices at the ICSS Sale at Cootehill for David Argue.

Sired by Kirkhouse Optimus and his siter was Interbreed Champion at West Morland for the Norman family.

As all the ewes in the flock come from ARR/ARR families I have not done any genotyping as I am sure they are Group 1. They have been vaccinated with Enzovax and Toxovax. The flock is MV Accredited and Scrapie Monitored.

We are pleased with the favourable reports received with ewes selling to all parts of UK & Ireland at last year's fantastic sale. To ensure repeat custom we strive to provide quality females from strong families that go on and do well for their new owners.

Last year's top price Arbryn Unforgettable is no exception. She reared 2 lambs for Dave Roberts who promptly flushed her post weaning and sold 2 embryos on line for 580gns whilst retaining the others. That is quite a remarkable return for the man with the Midas touch.

We were also delighted to see that Arbryn Viper (son of Tonto) bred the Champion Ram lamb at Worcester this year for the Ingrams and Champion at the Dungannon Premier for the Iskymeadow flock. To compliment the females we only use the best tups & this year the females are in-lamb to the proven Arbryn Tonto & our new investment the greatly admired Loanhead Washington purchased this year at Worcester Premier.

Once again I thank previous purchasers for their support and would highly recommend this year's offering.

## **Arbryn Service Sires**

**Loanhead Washington - 21WNC37523** - (*pictured below*) Purchased at Worcester Premier this year in partnership with the Robleston flock for 10,000gns. This tup has power and a tremendous hind quarter that is a must in our flock.

He is a son of the 16,000gns Foxhill Va Va Voom that was part of the winning interbreed pairs at the Royal

Highland 2021. His dam is an exceptional daughter of Rhaeadr Orlando a tup that I always admired The Ingrams describe Washington's dam to always be in good condition with a great carcase and milking like a dairy cow. Last year she bred Loanhead Vanquish for the Cavick flock that produced for them Cavick What a Boy selling for 15,000gns at the Premier.

Washington has proved to be very fertile and has kept his condition whilst running with ewes to date and we look forward to his produce next year.

**Arbryn Tonto -  
(18WRF00573)**

*(pictured right)*  
This home bred Ram has been a revelation with the quality of his progeny. His progeny are seriously heavily muscled with tremendous hind leg width. He was 1st prize shearling at Royal Welsh in

2019. His dam is a great breeder producing many stock tups and her outstanding daughter Arbryn One & Only was Champion at the Royal Welsh in 2016.

Last year she bred 2 of Tonto's maternal sisters with Untouchable (see *front cover*) selling for 3,100gns and her sister selling to Rigghead for 1,600gns. His son Arbryn Viper has excelled this year producing champions at both Worcester & Dungannon Premier.

All the ewes come from ARR/ARR Group 1 families.

Arbryn ewes will be re-scanned 2 days prior to sale and results declared but all ewes have scanned in lamb to AI date 11th July 2021.

Many thanks again for the invitation to offer for sale at the Hereford High Flyers ten quality yearling ewes and four ewe lambs .

We are MV accredited and Scrapie monitored and all the ewes have been vaccinated with Enzovax and Toxovax and are in the Heptavac P system .

Our main service sire this year has been Boyo Vancouver who has produced excellent quality lambs and two of his best ewe lambs are offered for sale also two excellent daughters of Wernfawr Vinnie who has also produced quality lambs for us .

Two ram lambs by Boyo Vancouver were sold privately to Graham Foster's, Springhill Flock earlier this year, one from the David Roberts' Boyo flock (*pictured bottom left*) and one from Gwyndy (*pictured bottom right*) (Both were also bred from Gwyndy ewes). This sale provides a unique opportunity to purchase Gwyndy Ewes in Lamb to Boyo Vancouver

We are very pleased to be invited back as vendors again to the Hereford Production Sale. We have put forward four yearling ewes for sale sired by both Bronwydd Tomahawk and Castellau Ulysses. Having culled harshly over the last few years these are ewes we feel will go on and do well for any prospective buyer.

Success was limited this year with no showing but we were delighted to sell Sant Andras Won and Only for 2,500gns at the Worcester Premier. We also won reserve overall champion pen of rams at Builth II with three ram lambs by Bronwydd Tomahawk.

Our ethos remains to breed from strong maternal lines and to cross these with genetics that compliment. We hope therefore that the ewes for sale will go on and do well for their prospective purchasers.

All are ARR/ARR, Enzovaxed, Toxovaxed and on the Heptavac P+ System

## **Service Sires**

**WILLOW WOTSIT (21WKM01641)** - Purchased at Worcester this year. Wotsit is a correct, wide bodied lamb with a sharp, stylish head. We feel that he will combine very well with our ewes and are excited to see what he produces. *(Pictured above)*

**BRONWYDD TOMAHAWK (18WAJ00593)** - Tomahawk has bred rams to 3,200gns, which includes Sant Andras Vanquish sold for 2,000gns. At Builth II this year Tomahawk bred the reserve overall champion pen with his son Vanquish producing the overall champion pen for Geraint Evans, Grug Flock. Having already bred fantastic stock for us we are certain that he will produce the goods again with the yearlings who are in lamb to him today. *(Pictured right)*

As I am writing this I find it hard to believe that another twelve months has flown by once more. We are again delighted to be invited as a vendor for this High Flyers production sale at Hereford market. The flock was started in 2007, since then we have always strived to improve the quality of stock ewes within it. We always purchase the best rams we can afford, as well as utilising purchased semen from successful bloodlines to use within the flock.

This year we probably offer the best group of females that we have brought to the sale so far. The sheep forward are from some of the strongest families with relatives throughout our own flock. The yearlings have always been a fantastic group and have impressed visitors to the farm at each stage of their development. We have included some of the very best of the bunch!!

The ewe lambs forward are two ET sisters from our outstanding breeding ewe 18WAJ00597, they are from the same flush as our 1st Prize Ram Lamb at the Bulth Main Sale Bronwydd Warhorse.

Our scanning results this year have been unprecedented, with 100% of our ewes holding to Ai and scanning at 210%. This is testimony to the fertility and maternal abilities of the female bloodlines within the flock. The females are run on a largely commercial system with the ewe lambs grazed off farm all summer and then being out-wintered on forage alone, spending only 10 days indoors, after shearing in March. The ewes will have been given a limited amount of concentrates in the weeks running up to sale. We have every confidence they will go on to perform well for any potential purchaser.

## Sires used within the flock

**FFRWD U BELTER (19YET01870)** (*pictured left*) - Purchased privately from Dewi Evans' flock. He is sired by Edstaston Sotogrande out of a ewe purchased at the Wedderburn dispersal for 1,600gns. He has proved to be an outstanding breeding ram, with his sons selling to 2,000gns for Bronwydd Vinnie Jones at the Premier Sale in 2020. His daughters have sold to 1,000gns at this sale last year. All the yearling ewes are Sired by U Belter.

**Wernfawr Vinnie (20XEVO1627)** - Kindly loaned by Colin & Ros Bowen. This ram has bred very well in his first year. He Sired Bronwydd Wild Thing sold for 2,400gns to Knockin Flock at the Premier Sale. He in turn is Sired by Bronwydd Tomahawk out of an outstanding breeding ewe at Wernfawr. Vinnie's two sisters have sold for 1,900gns and 1,600gns at this sale in the 2019 & 2020 respectively. We include two of his best daughters in the sale.

## Service Sires.

**Arbryn Viking - (20WRF00729)** (*pictured left*) - Top price ram lamb at the Hereford Ram Sale last year. A very correct, smart ram with a great skin. Sired by Artnagullion

Turbo out of an Arbryn ewe by Brettles Sherman. He has a Top 25% Index. We look forward to seeing how he breeds this upcoming year.

**Bronwydd Whizz Kid - (21WAJ00830 )** - Retained as a stock ram this year, he is an outstanding son of Wernfawr Vinnie from one of our best breeding ewes, she also bred the 2,200gns Bronwydd Undeniable. He is a smart, and correct lamb with great width. He is an excellent prospect and we greatly anticipate his first progeny.

We would like to take this opportunity to thank all our customers over the last year. It has been another strange year with no shows but at least there has been the opportunity to catch up with friends as some of the usual sales returned, I am not sure now how we managed to find the time to spend a week at the Royal Welsh Show! We were pleased with our Worcester Premier sale; the highlight was selling Wernfawr Warrior for 3,100gns to David Roberts for his Boyo Flock.

Following our Major Production Sale in 2019, our aim is still to run a small flock of Charollais with the focus on quality. This year we will be offering our entire crop of ewe lambs.

There will be 19 ewe lambs on offer, they were shorn in the first week of May and are on the Heptavac P system. All the ewe lambs are ARR/ARR and were sampled by our vet and tested through SAC.

This is a great opportunity to purchase some proven bloodlines and some definitely have show potential.

Thank You

## **Sires used within the flock**

### **WERNFAWR UPTOWN FUNK (19XEV01470)**

Uptown funk is from one of the best bloodlines we have ever had in the flock. His dam is a very consistent breeder producing ram lambs to 3,100gns and ewe lambs to 1,900gns. His grand dam was the mother of Wernfawr Neo who was the sire of Rhaeadr Orlando. His sire Ffrwd Tyrone was purchased for 6,200gns.
