GENERAL INFORMATION

The sale is held under the auspices of the British Charollais Sheep Society and all sheep will be sold subject to the Rules and Conditions of the Society. Copies are available from the Society or Auctioneers and will be displayed at the sale.

All sheep to be sold singly.

ALL FEMALES offered for sale are warranted not to be in lamb. Should the situation arise that a ewe proves to have been in-lamb at the time of the sale, then if within fourteen weeks after the day of sale a female sheep warranted not in lamb as aforesaid proves to be in lamb and within sixteen weeks after the day of sale the purchaser gives to the auctioneers written notice supported by a certificate signed by a veterinary surgeon such female sheep has been proved to have been in lamb then if the sheep lambs naturally at a date which proves it to have been in lamb at the date of sale either the purchaser may return the sheep and her lamb if any to the Vendor or at the sole option of the Purchaser the Vendor shall pay to the Purchaser as and for ascertained and agreed liquidation damages to cover all expenses depreciation in value and other damages whatsoever a sum equal to 25% of the purchase price of the sheep.

The sheep are from **MAEDI VISNA ACCREDITED FLOCKS** registered with the SAC Sheep & Goat Health Scheme.

PEDIGREE CERTIFICATES will be available at the Auction Mart office following the sale. All sheep in the sale are Full Pedigree Registered.

THE SCRAPIE GENOTYPE results listed in this catalogue are guaranteed to be correct by the person whose name appears as the vendor in the catalogue. Whilst the Society will make all possible effort to provide purchasers with the correct information, they can in no way be held responsible for any error or omission of information.

Due to not performance recording the flock continuously since it's establishment, we have only listed the indexes of females with an index of 260 and above. These references will be made in the footnotes of the relevant ewes.

Sheep can remain at Oakchurch for a maximum of 48 hours after the sale, providing arrangement for this service has been made with Jeremy.

The breeding information, comments and photographs for sheep in this catalogue have been supplied by the vendor. While every effort has been made, the Society cannot be held responsible for any inaccuracies or omissions.

FOREWORD

We have taken the difficult decision to disperse our Oakchurch flock after 14 years of breeding Charollais sheep. This decision has been particularly hard, as we believe we have got the flock to exactly where we wanted them to be.

Work and family commitments have made it increasingly difficult to give the time and dedication the sheep deserve, nor the time to enjoy both the success and the sheep.

The flock was established from one Logie Durno ewe and two Banwy ewes as a family project and grew from there. We have sold well and enjoyed showing on and off throughout the years.

The purchase of Banwy Ninja privately helped create a solid foundation and in 2015 we purchased an entire crop of yearling ewes from Banwy. These females stood us in good stead as they were exactly what we were looking for, sheep with meat, skins and power.

The flock has since then been run commercially, as we lamb ewe lambs and have been concentrating on the yearling trade of which we have been selling some 30 rams a year off farm. Our 2021-born females are the first group not to have been lambed as ewe lambs.

FLOCK HIGHLIGHTS

- Oakchurch Lord of the Rings 2900gns - interbreed ram lamb at The Three Counties
- Oakchurch Lukasz which bred so well and produced Mr T that we bought a share back in for 7000gns
- Oakchurch Majestic - champion at the The Three Counties as a lamb
- Oakchurch Ozil - interbreed champion at The Royal Highland Show
- 2016 Premier sale, champion and five lambs sold to pedigree flocks
- 2017 Premier sale selling all five lambs entered to pedigree flocks in the form of Oakchurch Sailor, Spartan, Samson, Supreme and Smuggler totalling 12,500gns
- Top price in Bulth 2 of 2850gns

We have bought some great sheep and sold some great sheep. It's been a pleasure to see what our genetics have done for the breeders like Oakchurch Ruben, Oakchurch Smuggler and Oakchurch Utopia. Oakchurch stock has always gone on and performed and we have been incredibly proud of the success of our sheep.

We would like to take this opportunity to thank everyone for their support and preparation ahead of the sale and to wish purchasers the very best of luck with the new additions to their flocks.

Thank you and best wishes,
Jeremy, Ala, Mia and Ryan Price
