Introduction

We would like to invite you all to our 25th Female sale for the High Flyers at Hereford. The sale has come a long way since the first sale in 1997, when Arwyn, Jen, myself and Dilwyn Davies decided to put a sale on in Malvern.

After the success of last year's sale and a high of 7,000 gns we welcome two new vendors; Jim Neil, Runningburn flock and Gareth Jones, Robleston Flock.

The sale will be live streamed and phone bids will be taken by the auctioneers, Greg Christopher on 07770 972815, Rory Matthews on 07983 465226 or the market office on 01432 761882.

As it will not be possible to export sheep directly, vendors will be happy to help purchasers and look after the sheep until movement is possible. Please contact vendors prior to sale if interested.

We would like to thank all of our sponsors for their support and advertising with us.

I am sure there will be a good selection of sheep to suit everyone and we look forward to seeing you all at Hereford on 22nd October for our 25th Sale.

ELMWICK SERVICE SIRES USED IN 2022 BICTON ALMIGHTY 22 VAA 00923 ARR/ARR

A ram lamb that caught my eye at the national AGM open day. He was breed champion at Shropshire & West County show. His sire Thackwood Tyson Fury has bred many high price males & females for the Boyo flock. Almighty has an extremely good top line with a good gigot, he stands well with plenty of width and an excellent tight skin. He has been used heavily in the Elmwick flock this year & ran with all the yearling ewes.

**PEMBROKE ACHILLES 22VJZ

Where has the time gone, with this our 25th female sale. We also got out to a couple of shows, the first since 2019.

It is always pleasing to see stock going on to do well for their new owners. This year Grant Pink has done well winning Interbreed with a yearling ewe at Stafford County by a ram he purchased privately, and also Champion at Shrophshire County with a ram lamb out of a Castellau ewe he purchased at Hereford in 2018.

SERVICE SIRES USED IN 2022 THACKWOOD U CORKER (19GU04085) - ARR/ARR

I was very pleased to be able to buy U Corker this year, as I was underbidder in 2020. Last year he sired the top price at Worcester Premier which sold for 17,000 gns and ewe lambs have sold up to 2,300 gns. He is a ram with great style, skin and carcase.

LOGIE DURNO WATCHMAN (21ZNN37382) - ARR/ARR

A powerful ram with tremendous fleshing in the loin and hind quarter. He is a full brother to Walking Thunder, 1st prize at the Highland Show and Champion at Worcester selling for 9,000 gns. His sire was top price at Worcester 2020 selling for 16,000 gns. Has a great pedigree and should do well.

CASTELLAU VA VA VOOM (20TZ03068) - ARR/ARR

Va Va Voom was 2nd at Royal Welsh and Reserve Champion at Vale of Glamorgan this year. He is a great big sheep by Knockin Shockin sold for 25,000 gns and out of my best ewe Rhianna. Most of our shearling ewes this year are by him and developing into good ewes. He sired 1st prize Signet ram lamb Builth last year.

This is the strongest team of rams I have had for some time and I am looking forward to lambing time to see what they produce. The flock has been ARR/ARR for a number of years so have not genotyped any ewes.

They have been vaccinated with Enzovax and Toxovax. The flock is MV Accredited and Scrapie Monitored.

Visitors and enquiries prior to the sale are most welcome.

We are pleased with the favourable reports received with ewes selling to all parts of UK & Ireland at last year's fantastic sale. To ensure repeat custom we strive to provide quality females from strong families that go & do well for their new owners. This was emphasised with 24 entries at the Premier sale featuring Arbryn prefix. Last year's top price Arbryn Wonder Girl was no exception. She reared 2 ram lambs for the Runningburn flock with one sold to Ireland & the other retained as a stock tup. It was also pleasing at the Premier sale to see the Pembroke flock selling their tup lamb out of our renowned 328 ewe for 7,500gns on their first appearance.

To compliment the females we only use the best tups & this year many of the females are sired by Arbryn Tonto the sire of Arbryn Viper. This year we took him out of the females on the morning of the show & he went on to be Interbreed champion in his working clothes at Pembrokeshire County Show. He is so correct for a mature ram.

Arbryn Tonto 18WRF00573

This year the ewes are in lamb to three of our best ram lambs that we retained having superb conformation out of our best female lines with all 3 featuring in the top 10% terminal sire index after scanning. Unfortunately we lost Washington last year hence the reason we retained 2 of his best sons.

All the Ewes & Sires are ARR/ARR Group 1 families. Arbryn ewes will be re-scanned 2 days prior to sale & results declared.

Once again I thank previous purchasers for their support & would highly recommend this year's offering. Visitors are always welcome by appointment.

ARBRYN SERVICE SIRES

ARBRYN ALBERT 22WRF00897 - TI INDEX 300

A son of Washington & Vipers mother with tremendous width throughout. His sire Washington purchased at Worcester Premier for 10,000gns. He impressed with his power & a tremendous hind quarter. He has transmitted these qualities to his progeny with tremendous growth & exceptional back ends. His dam has been a tremendous breeder producing Arbryn Viper sold privately to the Ingram's where he went on to breed the champion ram lambs at Worcester & Dungannon Premier sales in 2021. She in turn was a daughter to Rhaeadr Prince whose progeny have feature so well in Ireland recently.

ARBRYN ARCHIE 22WRF00908 - TI INDEX 306

Another son of Washington out of our show ewe Arbryn Seren. He is the most powerful tup we have produced with tremendous live weight gain. His dam Seren is a huge daughter of Real Deal. She was our senior show ewe in 2019 & stood champion at Pembs County. In 2020 she bred Arbryn Vegas that sold at Worcester Premier to the Baker's Olives flock. Last year her smart daughter sold for 1,700gns to the Castellau flock.

Arbryn Seren dam of Arbryn Archie

ARBRYN ACE 22WRF00905 - TI INDEX 342

A very smart son of Hyde Vinny that features in the top 10% for Terminal sire index. He was our show lamb this summer & stood 2nd in a strong class at the Royal Welsh before taking 1st at Pembs County. His dam Dalby Venitia was purchased from the Dalby Celebration sale in 2021. She is maternal sister to the record breaking Dalby Tutti Frutti that sold for 12,500gns. Her sire was the record breaking Knocking Shockin & the dam was the brood ewe Dalby Rhapsody.

We would like to take this opportunity to again thank all our customers over the last year. It has been one of the most successful 12 months for the flock to date starting with this sale last year where we sold ewe lambs up to 3400gns with 3 others at 2200gns. The highlight of the year has to be at this year's Worcester Premier sale, selling Wernfawr Ace for 15,000gns to the Logie Durno flock which was highest price on the day and the flock to date. (pictured next page)

We haven't quite got back into the swing of all the showing this year other than taking some lambs to the Royal Welsh, where we were very pleased to have the 1st Prize Ram Lamb and Reserve Male Champion which went on to be Reserve Interbreed Ram Lamb. We also had 3rd Prize Ewe Lamb in a very strong class.

At the early Builth sale we had 1st prize ram lamb, reserve champion and highest price lamb selling for 1000gns and then at the NSA main Builth Sale we had the two highest price ram lambs, Wernfawr Awesome at 2000gns and Wernfawr Apache at 1900gns.

This year we will be offering 14 ewe lambs, we have only selected two ewe lambs to keep to ensure we retain certain bloodlines and all other saleable ewe lambs are offered for sale. All the ewe lambs are ARR/ARR and were sampled by our vet and tested through SAC. They are on the Heptavac P system.

Again, we believe this is a great opportunity to purchase some great blood lines from our flock.

Thank You

David, Maureen, Paul and Ally

Wernfawr Ace sold for 15,000 gns at Worcester Premier Sale

REFERENCE TO SIRES LOGIE DURNO WALL ST

purchased at last year's Premier Sale for 8500gns. His sire is the 16,000gns Foxhill Va Va Voom. His dam has been part of the show team at Logie Durno. Wall St has certainly left his stamp on the lambs this year with great carcasses and skins. Wall St is the sire of our first prize ram lamb at Worcester Premier sale this year which sold for a top price of 15,000gns. He also sired Wernfawr Awesome the first prize ram lamb; reserve male champion and reserve interbreed ram lamb at this year's Royal Welsh Show and the highest price ram lamb at the NSA main sale selling for 2000gns and our first prize and top priced ram lamb at this year's Builth early sale. Wall St was shared with the Glyncoch Flock who have also had a successful year with his progeny with the highlight having the Champion Charollais at this year's Royal Welsh show with a Ewe lamb sired by Wall St.

GLYNCOCH VOLCANO - Volcano is a son of Wernfawr Stormer and a full brother to Glyncoch Usain Bolt who sold at Worcester Premier 2019 for 7,000gns. Volcano has sired ram lambs up to 3,100gns and our top price ewe lamb at this sale last year for 3,400gns.

ROBLESTON WARRIOR - Sire is a son of Arbryn Tonto, who was first prize shearling ram at Royal Welsh show 2019.

We are delighted to be invited back as vendors again to the Hereford Production Sale. This year we have decided to offer more stock for sale with seven ewes forward. Having culled harshly over the last few years these are ewes we feel will go on and do well for any prospective buyer.

We were only able to show once this year however it was a day to remember winning first in every class entered, breed champion and to top it off Interbreed Champion at the Vale of Glamorgan show. With less help on the farm this year we feel that it is a great opportunity to reduce the size of the flock and in turn sell some fantastic ewes with our interbreed champion (pictured below) being entered into the sale (insert lot number for 22WJG00773). She is easily the best female we have ever offered for sale.

Our ethos remains to breed from strong maternal lines and to cross these with genetics that compliment. We hope therefore that the ewes for sale will go on and do well for their prospective purchasers.

All ewes are Enzovaxed, Toxovaxed and on the Heptavac P+ System

SERVICE RAMS

GLYNCOCH ALUN WYN (22XCA02002) – Purchased from Worcester Premier Sale this year, Alun Wyn is a stylish, wide bodied and well backended ram who we hope will complement our breeding ewes. Alun Wyn is sired by the 8,500gns Logie Durno Wall St with grand sire Foxhill Va Va Voom topping Worcester in 2020 at 16,000gns. We are very excited to see what this tup produces for us.

FOXHILL WALKABOUT (21XWY00638) (pictured below)

Having been impressed with this ram in the flesh at Worcester last year where he sold for 17,000gns, we jumped at the opportunity to buy some straws from the Ingram family earlier this year. We feel that Walkabout will put some size and style into our smaller, thicker set ewes. We can't wait to see his lambs on the ground in December!

We are once again pleased to be invited back to female sale at Hereford. It has been great seeing shows and sales back to normal after previous years restrictions and we have enjoyed getting out and catching up with everyone properly. It's always good to see your stock going away and doing well for their new owners and a highlight for us this year was seeing Kirkhouse William Wallace win the all Ireland shearling ram class for Declan Miley well done Dec.

SERVICE SIRE - CRUNKLAW WHISKEY MAC.

We like this ram alot, he is a very heavily fleshed ram with a great skin and character.

He has done well in the show ring being Interbreed champion at Dalston show. He should click well with the two ewes we have in the sale.

This year we offer two in lamb shearlings which we feel will breed very well with Whiskey Mac and a ewe lamb from our show pen with great potential for next year.

Once again we are delighted to be invited as a vendor for the High Flyers Female Production Sale at Hereford market. This year we have had a successful year in the sale and show rings. At Worcester Premier sale our pen of five rams averaged £1302 with lambs selling to some notable flocks. We had the Interbreed Champion at our local Fishguard Show and had Reserve Breed Champion at Pembrokeshire County Show with an ewe lamb, whose full ET sister sells in this sale.

The sheep forward are from some of our strongest families with relatives throughout our own flock. The females are run on a largely commercial system with the ewe lambs grazed off farm all summer and then being out-wintered on forage alone, spending a short period indoors after shearing in March. The ewes will have been given a limited amount of concentrates in the weeks running up to sale. We have every confidence they will go on to perform well for any potential purchaser.

"To get our flock of pedigree Charollais ready for show and sale season, we like to use Tarff feed as we believe it helps bring the sheep to their full potential. For the females we use Tarff's Ewe Lamb mix, which we find helps add flesh and makes them thrive.

I have recently had great success in the show ring with a Ram Lamb awarded Reserve Champion at the Charollais Pre-Show at Kelso Tup Sales and also 1st Prize Shearling at Carlisle in August. We use Tarff's Trophy Tup blend from the Rosette Range and it results in great bloom!
