# Introduction

Welcome to the 22nd annual joint production sale of in-lamb Charollais ewes and ewe lambs. The flocks participating in the sale carry some of the best Charollais genetics in the UK and all with the potential to breed you something really special for both the show and sale ring.

The commercial sheep market this year has been reasonably good especially for those with plenty of grass and haven't had to rely too much on hard feed.

All ewes forward will be scanned by an independent scanner in Worcester market on the morning of the sale and will undergo an inspection for confirmation of health, soundness of teeth, feet and udders.

Unfortunately there will be no direct movement from the sale to Ireland this year but there will be an on-line bidding facility available and all vendors will do everything possible to help purchasers from afar with looking after sheep until they can travel onwards to their destination.

All sheep will be available to view on farm by prior arrangement and telephone bids can be arranged if preferred to the on-line system.

Our auctioneer James Amphlett is contactable on 01905 769770 or mobile 07972653077. Clive Roads will also be in attendance mobile 07702 722910 for help and advice.

This year we are offering for sale at the Saucy Sale 5 well bred yearling ewes. These ewes are from the group of yearling ewes that were greatly admired at

this year's National AGM open day at the end of May.

They all come from some of our best blood lines and we are sure they will go on and perform for their new owners in both show and sale rings. These ewes have had no hard feed since they were 5 months of age except for a little prior to the sale during preparation.

Showing of Edstaston progeny this year has been limited to embryos that were exported to Mexico where they continue to exceed all expectations in both show ring and sales for Jose Garcia of Granja Don Ranchon and Luis Enrique Ibarra of Rancho Las Presitas).

The sheep are all on the Heptavac P Plus system and have had Klik Extra. They have also been vaccinated against enzootic and toxoplasmic abortion.

Best of luck to all prospective purchasers. We can fully recommend these ewes to go on and thrive under a variety of management systems.

## EDSTASTON RAMS

### **KNOCKIN SHOCKIN 17XXJ00376 ARR/ARR**

**INDEX 323**

Shockin needs no introduction at all and is still the current record holder of the top priced Charollais to be sold at auction at 25000 gns.

He has progeny that have excelled in both show and sale rings having sold males to 5600 gns and females to 3000 gns. Coupled with this is his performance data with his terminal sire index currently 323 which places him comfortably in the top 5% for the breed.

### **EDSTASTON SHROPSHIRE LAD 17TG00629 ARR/ARR INDEX 228**

This very muscly son of Skelton Whin Oddysey has done such a good job out in Mexico that we have gone back and AI'd a lot of ewes to him. On his mother's side he goes back to our old Rutland ewe ZFY 06073 who was also the dam of the renowned Edstaston Nelly G.

### **EDSTASTON VOICE OF REASON 20TG00982 ARR/ARR INDEX 228**

This son of Rainbow Santana has everything. Length, width, deep and full back end with a great skin. He also has decent figures as well. On his sire's side he has Wedderburn Peleus and his dam is an Arbryn Olazabal daughter out of a show ewe 15TG00462

### **EDSTASTON UMPIRE DICKIE BIRD 19TG00873 ARR/ARR INDEX 281**

He is a retained full brother to Edstaston U R The Man who sold at Worcester Premier Sale 2019 for 4800 gns. Dickie Bird is a Shockin son out of an Olazabal Madison daughter.

I am very pleased to be invited back to sell at Saucy and to be able to offer 14 in lamb yearling ewes, and 4 ewe lambs. All stock are in the HepVacP system, With reports from last year's satisfied customers i am confident these females will go on, grow and produce well for their purchasers! This year's 1st prize yearling ewe at the Royal Welsh Show and the Interbreed champion at 3 counties "Knockin Wisteria" was purchased from my ewe lamb pen last year! They all have depth of breeding, and some of the best bloodlines in the flock. Can I stress, none of these females have received any concentrates after 14 weeks of age! They have however been given haylage over the last month with the lack of grass I imagine has been experienced nationwide...

## **STOCK RAMS/ SERVICE SIRES**

### **Oakchurch Ruben: 16WKW00152- ARR/ARR**

I purchased Ruben at Worcester Premier Sale 2016 for 3200gns, and what a purchase he was!! He is the Sire of Knockin Shockin' who sold for the record price of 25,000gns at 2017 premier sale, and his full brother Knockin Ultrashock who topped Premier sale 2019 at 12,000gns. Not forgetting Knockin Tickle My Fancy who was Reserve Champion at Premier 2018 selling for 5000gns, and Knockin Shop was sold for 6000gns in 2017 to Northern Ireland and has done and is still doing a fantastic job for William McAlister and Ian Craig! Ruben really is something special, producing consistent lambs with cracking heads, loin and back end! Just what I loved about Him!! His daughters are doing really well; they are great milky mothers that keep their condition naturally!! Being positive for fat his lambs flesh up with very little help from concentrates, they are really good does!!

### **Loanhead Titan: 18WNC22678- ARR/ARR**

#### **INDEX 308**

Purchased from Worcester Premier Sale 2018 for 2400gns, An eye catching lamb with great

#### **INDEX 299**

growth and power, This lamb caught my eye on photographs from a young age, and i couldn't get past him at the sale, when he handled just as good as he looked! His sire Hollylodge supreme was also the sire of the Sale champion who sold for 9500gns. He has grown into a huge ram. His daughters are breeding well, producing lambs such as Knockin Wagamama selling for 6000gns at this year's premier sale! He is also the sire of Knockin Wisteria sold as a ewe lamb at last year's sale for 1300gns

**Knockin Undercover Brother- 19XXJ00695 ARR/ARR INDEX 240**

Undercover Brother caught my eye from a very young age, with fantastic presence, skin and carcass, he was always the stylish standout lamb and I made the decision to keep and use after on farm scanning. He is a son of Hollylodge Supreme who produced last year's premier sale overall champion ram selling for 9500gns!!

**Knockin Ultimatum- 19XXJ00679 ARR/ARR INDEX 297**

Ultimatum has a fantastic strong real Rams head that i couldn't part with, not as pink as Undercover, so he should work well with Ruben, I have some very stylish march lambs born by him.

**Ffrwd Wingman: 21YET02460- ARR/ARR INDEX 228**

Purchased Privately from Dewi Evans last year for his great skin and cracking presence! He was the most eye-catching lamb in the bunch. Wingman is very correct and has a fantastic head with "those ears" I was very pleased with his first crop of lambs.

**Bronwydd Wild Thing: 21WAJ00815- ARR/ARR**

Purchased from last year's Worcester premier sale for 2400gns, I fell for his spark and presence, look at that head, he is a tremendous handling lamb, very correct with skin and backend. Sired by the 3200gns Wernfawr Vinnie. He has stamped his first crop of lambs, they all have his spark, and I have used him confidently again this year!

# MICKLEHILLS FLOCK - ZWA

**Victoria Ashmore**

**58 Highfields, Thornton, Coalville, Leics, LE67 1AE**

**Tel: 07827442637 Email: victoria.sercombe@gmail.com**

I am pleased to be asked back this year to offer 5 shealing ewes who as ever I will be sad to see leave the flock. The prolificacy of this little flock continues to thrive year on year allowing me to maintain numbers and only retain in the flock those females I feel have robust type, with above average performance figures. This I hope will allow them to go away and excel in their new environment.

With the exception of 21ZWA09660 (who joined them again at sponging), the sheep in the sale were out-wintered and are sold in natural condition. They are all on the Heptavac P+ system and have been vaccinated against Enzootic, Toxoplasmosis and Campylobacter abortion. They have been wormed regularly, treated with click extra and were given an animax bolus prior to tupping.

I would also like to take this opportunity to thank Dad and Grace for accompanying them to the sale as I join Mitchel and Elizabeth with their celebrations!

*Victoria*

## **SERVICE SIRE**

### **Dalby Ranieri – 16PE04907**

A sire who combines show winning looks and top 10% performance all in one package. This year's bunch offered for sale are either in lamb to him or his maternal granddaughters, showing just how much I love this breeding. He has consistently sire high priced and successful males and stylish, easily fleshed females that breed incredibly well. (Pictured right)

### **Brettles Antonio – 22WF04092**

Purchased this year at the Premier sale for 1300gns, being our pick of the Brettles pen. Selected for his impressive top 1% figures, super correctness and outcross pedigree, we await his progeny with eager anticipation.

Once again, we are pleased to be part of the Saucy Sale. This year along with our in-lamb shearlings we will offer for the first time in 20 years some of our very best ewe lambs. In this selection will be embryo lambs from our top brood ewes including the outstanding "Apple Pie" who is a maternal sister to the breed record priced female Tutti Fruitti.

Another sister Wanda provided our highlight in the show ring this year winning the overall Interbreed title at the Great Yorkshire Show. We also gained an enormous amount of pleasure at the Royal Welsh when the first and second prize ram lambs were out of ewes purchased at the Dalby Coral Sale last year.

**Dalby Wanda**

As ever the sheep are bred with care and attention and managed to give the purchasers satisfaction. The yearlings have been outwintered on cover crops and kept in the 'desert' this summer. They are on the Hept P Plus system and are vaccinated against Enzootic, Toxoplasmosis and Campylobacter abortion.

All are scanned in-lamb to the AI date of 8 July.

We look forward to seeing you on the 15th.

This year we decided to take a step back from shows. However, we did enter the South West Flock competition (up against 15 other flocks) and we were thrilled to win the Overall Championship, judged by David Norman (Kirkhouse flock). We are delighted to say that this is the second consecutive year that we have won the overall championship title.

This year we are pleased to offer 10 ewe lambs for sale. These ewe lambs are part of the overall champion ewe lamb group from the flock competition and we feel that they are the strongest group of females we have ever put forward for sale. Having heard positive feedback about our stock that we sold last year, we are confident that they will do well for their new owners.

Please check out our  and  pages for individual photos / videos and further information about each individual lot.

Looking forward to seeing you at the sale

Firstly, we would like to thank the Saucy Sale for allowing us to have sheep forward again this year. The Foxhill flock was founded in 2004 when a number of well fleshed females were purchased. Over the years we have evolved into an extremely prestigious flock with many champions being produced and also some great sale toppers.

The flock has had an extremely successful show season with progeny of Rockvilla Ferrari winning interbreed titles at the Royal Bath and West Show, as well as our service sire, Meaedy Va Va Voom, picking up championship rosettes at Royal Bath and West, Royal Highland and Great Yorkshire Shows. The ram was purchased at Bulth Il 2021, after Mike judged and selected him as his champion. (see cover image)

## **STOCK SIRES**

For this sale we are offering 14 of the very best of our breeding lines. The five shearling ewes are sired by these top rams and in-lamb to the Maerdy tup. The nine ewe lambs are some super examples of the breed and include our top show ewe lamb 22XWY00746, who won her class at Royal Bath and West, Royal Cornwall and was third at the Royal Highland.
