ORDER OF SALE (as agreed and carried out by NSA)

The 2023 vendors brought forward from 2021 will be divided into three sections. The last third will be moved to the front, the middle section to the end & the first 1/3 will move to the middle where they will be subject to a ballot. The other two sections will remain in their previous year's order. With this system vendors will only change order every third year & with balloting the middle section no-one should find themselves unfairly balloted. New vendors will be placed at the beginning & end of the ring, as happened previously.

A favourite of mine from day one. An eye catching, correct ewe lamb who has grown on well with great strength behind her. Dam was purchased privately from the Elmwick flock.

This lamb has been successfully shown this year and has all the attributes to be a successful show ewe.

A very powerful ewe lamb sired by Gwyndy Warrior who was purchased privately in 2022. Dam has won multiple prizes and championships. This ewe lamb is from our best maternal bloodline which have bred successfully year on year.

WIN A Heatwave Milk Warmer worth £550

WIN a Heatwave Milk Warmer worth £550. This is a valuable asset for rearing orphan lambs. Heatwave Milk Warmer uses a heat exchange technology to heat the milk on demand instead of it always being warmed. This keeps the milk fresher for longer. You could feed up to 50 lambs. Easy to clean, needing just around 5 minutes once a day to keep in a good hygienic condition.
