# Introduction

Welcome to our 23rd Annual joint production sale of in-lamb Charollais ewes and ewe lambs. The sale has moved to Shrewsbury Livestock Centre this year and a couple of exciting additions make this a sale not to be missed.

The sale will include the entire crop of 2023 yearling ewes from the Edstaston flock.

All participating flocks carry some of the best Charollais genetics in the UK and have the potential to breed you something really special for both the show and sale ring.

All ewes forward will be scanned by an independent scanner in Shrewsbury market on the morning of the sale and will undergo an inspection for confirmation of health, soundness of teeth, feet and udders.

Despite our very best efforts, we are sorry that we are not able to offer direct movement of sheep from the sale for export. However, all the sheep in the sale are eligible for export (either from scrapie monitored flocks or vet tested ARR/ARR by SRUC). Therefore we welcome buyers from Ireland and the EU and purchases will be taken back to a holding farm prior to export after 40 days.

All sheep will be available to view on farm by prior arrangement with the vendor. Those looking for overnight accommodation will find a Travelodge 08719846120 and eatery right by the side of the market.  
The Two Henrys – 01743 450940

Our auctioneer will be Chris Potter who is contactable on 07969 898407 and the market manager is Johnny Dymond who is contactable on 07803 412617 and will be available for any help and advice. On-line bidding will be available via MartEye - please see the advert and remember to register in good time.

Now turn the page to unscramble the venue and vendors.

We have taken the decision to sell the entire crop of yearling ewes this year in an effort to reduce numbers now that I am well into my retirement years. All the yearling ewes will be entered including some that have been running with the ram so we can say this is an entire dispersal of all yearling ewes.

Twenty of the twenty one ewes are bred from several generations of Edstaston ewes thus providing potential purchasers with confidence to buy knowing the ewes will give them a consistency that only comes from long established families. A glorious opportunity for someone wanting to start up in Charollais or just adding to an already established flock by purchasing ewes with 36 years of safe and reliable breeding behind them.

The highlight this year was the Worcester Premier Sale where we achieved two out of the top 5 prices. The pen leader was Edstaston Beau Jangles who sold to Mike and Melanie Alford for 10,000 gns. for their Foxhill Flock in Devon. Three full sisters to the sire of Edstaston Beau Jangles (Edstaston Amarillo) are in our consignment along with a daughter of the dam of Edstaston Beau Jangles (19TG00833). It was ffalseo very pleasing for us that the top priced ram lamb at 24,000 gns from the Boyo flock was bred from an Edstaston ewe.

The ewes have all been Al'd by 3 top sires Edstaston Amarillo, Dalby Anceletti and Tullyear Artemis with Artemis being used as runner for the later lambers.

**Edstaston Bad Boy son of Tullyear Artemis sold  
to David Roberts Boyo Flock**

## EDSTASTON RAMS

### **FFRWD WINGMAN** 21YET02460 ARR/ARR INDEX 171

Purchased privately with Knockin Charollais from Dewi Evans, Anglesey. He has tremendous growth and back end with a great presence all of which is very evident in his daughters. A son of Dalby Veainu and grandson of Edstaston Tulloch he is sire to our current stock ram Edstaston Amarillo. Two Wingman sons were exported to Germany last year. He has sold sons to 2000gns at Worcester Premier Sale

### **EDSTASTON VOICE OF REASON** 20TG00982 ARR/ARR INDEX 221

This son of Rainbow Santana has everything. Length, width, deep and full back end with a great skin. He has worked very well with Shockin daughters. He is a grandson of Wedderburn Peleus who was bred from an Edstaston ewe and his dam is an Arbryn Olazabal daughter out of a show ewe 15TG00462

**KNOCKCROGHERY VALD'ISERE** H19-20-047 ARR/ARR INDEX 120  
Purchased from Declan Miley at the Southern Irish Premier Sale in 2020 for 4400 Euros.

Vald'Isere is a real carcase machine which he transmits to his progeny. Five of these yearlings on offer by him were on the Charollais stand at the NSA Event at Malvern in 2022 and came a very creditable 2nd in the whole event. Vald'Isere is by Oakchurch Utopia and his pedigree boasts such prefixes as Knockin, Rhaeadr, Loanhead, Banwy, Dalby, Rutland and Wernfawr.

**BRONWYDD WHIZZ KID** 21WAJ00830 ARR/ARR INDEX 214

The Whizz kid daughters are among the best yearlings that we have on offer. There is an embryo daughter off Edstaston Tamsin (18TG00794) which is well worth a look. Sired by Wernfawr Vinnie, Whizz Kid was sold at the 2022 Worcester Premier Sale for 1800 gns. Pictured below is a daughter of Whizz Kid, Lot 49 Edstaston Azalea.

## SERVICE SIRES

His dam was Edstaston Oceania who was out of Edstaston Nelly G. Edstaston Oceania is breeding well with a variety of rams and a Shockin daughter of hers won the National Charollais show in Mexico in 2021. Edstaston Nelly G has bred several four figure lambs both male and female. Edstaston Amarillo sired our top priced ram lamb at this years Worcester Premier Sale Edstaston Beau Jangles at 10,000 gns. There are 3 full sisters in the sale to Amarillo which are worthy of note.

I am very pleased to be invited back to sell at Saucy and to be able to offer 8 in lamb yearling ewes and 4 ewe lambs.

All Ewes are in the HepVacP system, and were drenched with Cydectin pre Topping. With positive reports from last year's satisfied customers, I am confident these females will go on, grow and produce well for their purchasers! This year's 1st prize yearling ewe at The 3 Counties Show "Knockin Amythest" was purchased from my ewe lamb pen last year! They all have depth of breeding, and some of the best bloodlines in the flock.

Can I stress, none of these females have received any concentrates after 14 weeks of age! Unlike last year, We have had plenty of grass this summer!

## **STOCK RAMS/ SERVICE SIRES**

### **Mortimer Wide Boy 21HH06560 ARR/ARR**

Exciting New stock ram for us, I've used him heavily this year, purchased privately last year from the Mortimer flock for his shear power and meat! Hands down the best backend I have ever handled!!

### **Oakchurch Ruben: 16WKW00152- ARR/ARR**

**INDEX 299**

I Purchased Ruben at Worcester Premier Sale 2016 for 3200gns, and what a purchase he was!! He is the Sire of Knockin Shockin' who sold for the record price of 25,000gns at 2017 premier sale, and his full brother Knockin Ultrashock who topped Premier sale 2019 at 12,000gns. Not forgetting Knockin Tickle My Fancy who was Reserve Champion at Premier 2018 selling for 5000gns, and Knockin Shop was sold for 6000gns in 2017 to Northern Ireland. Ruben really is something special. His daughters are doing really well; they are great milky mothers that keep their condition naturally!! Being positive for fat his lambs flesh up with very little help from concentrates, they are really good doers!!

**Loanhead Titan: 18WNC22678- ARR/ARR  
INDEX 308**

Purchased from Worcester Premier Sale 2018 for 2400gns, An eye catching Ram with great growth and power, He caught my eye on photographs as a lamb from a young age, and i couldn't get past him at the sale, when he handled just as good as he looked! His sire Hollylodge Supreme was also the sire of the Sale champion who sold for 9500gns. He has

grown into a huge ram

producing strong females! His daughters are breeding well... Knockin Wagamama who sold for 6000gns out of a Titan Daughter! I am pleased to be asked back this year to offer 5 shealing ewes who as ever I will be sad to see leave the flock. The prolificacy of this little flock continues to thrive year on year allowing me to maintain numbers and only retain in the flock those females I feel have robust type, with above average performance figures. This I hope will allow them to go away and excel in their new environment.

The sheep in the sale were out-wintered and are sold in natural condition. They are all on the Heptavac P+ system and have been vaccinated against Enzootic, Toxoplasmosis and Campylobacter abortion. They have been wormed regularly, treated with click extra and were given an animax bolus prior to tugging.

The ewes will have been scanned on farm prior to the sale and results will be available on sale day but at the time of printing this hadn't taken place.

We are again delighted to present a small but select offering for this year's Saucy Sale. As ever they are from the heart of our breeding programme and are sheep that we originally intended to introduce into our flocks. Included are some real stars from our top families and that have been part of this year's show team, including two full sisters by Dalby Veainu out of Dalby Rhapsody, who is currently our most influential breeding ewe and Wappy Chappy's out of Dalby Oprah and Foulrice Tootsie. Our breeding principles don't change, pursuing our goal of "Balanced Breeding". We strive to achieve a balance between: -

- Performance vs Phenotype • Fleshing vs Functionality • Style vs Substance/Strength
- Weights vs Width

The aim being to produce quick growing, easily fleshed sheep that are fit for purpose while still possessing some show ring style.

Talking of the show ring we have again had a successful year, winning multiple prizes, with a number of sheep, taking Breed and Interbreed Championships. We were especially proud to win the Interbreed Group awards at all five shows we entered. The management of the sheep remains the same, concentrates until ultrasound scanning, grass until winter, cover crops, then grass until sale. Those sheep in the show team will have been fed accordingly from mid-winter. All the ewes are on the Heptavac P Plus system and have been vaccinated against Enzootic, Toxoplasmosis and Campylobacter abortion. They will be scanned prior to sale and updated information given then.

We look forward to seeing friends old and new on the 7th October but if you require any further information before please feel free to contact us.

*Charles and Helen*

## **SERVICE SIRES**

**22 DG 12142 – Foulrice Apache** - Bred from a pedigree packed with performance Apache is an exciting addition to our stock rams. He is sired by Lowerye Vulcan out of a Foulrice Osprey ewe who is breeding incredibly well, being the dam of three pedigree stock rams. We really like his balance, skin and fleshing, combined with natural width behind and full, firm gigots. His twin brother was used as a lamb at Foulrice and is now part of their stock ram team, we await the progeny with great excitement.

**22 DG 12413 – Foulrice Ace** - We were originally attracted to Ace by his phenomenal performance figures, especially for muscle depth with a positive fat depth. Having been used as a lamb he looks to be passing these traits to his progeny and we hope he will complement the exceptional growth figures in our flock. He is a son of Foulrice Valiant out of another daughter of Foulrice Osprey. He is a very wide ram who has not lost an ounce of condition while running with his ewes.

We are again delighted to have been asked back to the saucy sale again this year after what has been a challenging year for us, as we made the decision to begin the reduction of our flock numbers, so we have forward two shearlings and four ewe lambs. These six females we would have happily retained in our flock.

Having only exhibited at one show this year – Royal Cornwall Show, we went on to win Interbreed Ram lamb with Willow Bruce, whose sire Oakchurch Apache is the sire to Lots 79-81.

## **Stock Ram:**

Oakchurch Apache is a solid, tight skinned ram with that extra spark! We are pleased to have sold a half share to Dave Roberts (Boyo Flock). He is a ram that continues to impress, and his first batch of progeny are showing great promise.

Edstaston Ulysees was purchased recently at a flock dispersal for his size, skin and depth of gigot. His sire needs no introduction, being Knockin Shockin. Both ewes were naturally served around 17/07 and scanning details will be available at the sale.

We would like to thank the Saucy Sale organisers for once again inviting us to have sheep forward from the Foxhill flock once again and we look forward to working alongside the new auctioneers for the sale. The Foxhill flock was founded in 2004 when a number of well fleshed females were purchased. Over the years the flock has evolved into an extremely prestigious one with a record for producing many champions at a national and regional level on the show circuit, as well as many high-priced males and females at Society sales.

One of our current stock sires and sire of all our ewe lamb entries for this year's sale, Logie Durno All Star was purchased privately last year as a lamb for 15,000gns and has not only gone on to win male and reserve breed championships this year at Devon County and Royal Cornwall, but he has also produced show winning stock, as well as the third and fourth highest priced rams at this year's Premier Sale at Worcester at 6500gns and 4500gns.

I am very grateful to have been invited to join the Saucy sale again this year. Having not sold here for a couple of years due to not having large numbers of replacements, I am extremely pleased with the quality of ewes that I offer for sale.

The five yearling ewes are correct with tremendous width and full, firm quarters and will hopefully be an asset to their purchasers. Lot 64 is a maternal sister to Ffrwd Wingman, stock ram at Edstaston and Knockin flocks. All been vaccinated with Toxovax. Scrapie monitored.

Look forward to seeing you all at the sale.

*Dewi*
