It's always pleasing to see ewes going on & doing well for their new owners. David Lewis (Pembroke Flock) purchased 2 in lamb ewes from us at last year's sale. 21DQ02526 which produced & reared twin ram lambs. One ram lamb went on to win the ram lamb class at The Royal Three Counties show this year & then sold at the Premier Sale with his brother.

21DQ02504 also reared twins with her ram lamb going to the Premier Sale and her ewe lamb retained in the Pembroke flock.

Only managed a few show this year, but still won 9 firsts, 1 champion, 2 res champions, 1 interbreed continental, 1 res Interbreed & 1 interbreed group of 3. Also champion pen of spring lambs at Worcester Easter show & sale

## **ELMWICK SERVICE SIRES USED IN 2023**

### **SANT ANDRAS BARNSTORMER 23WJG 00840 ARR/ARR**

Purchased at the premier sale. A grandson of the 8,500gns Logie Duno Wall Street who sired 15,000gns Wernfawn Ace. Barnstormer is a very correct well fleshed ram with a good back end & good tight skin and plenty of style. He has a great pedigree and should do well on Elmwick ewes.

*Sant Andras Barnstormer*

### **ARBRYN BLITZ 23WRF 00980 ARR/ARR**

Purchased at the premier sale from the Arbryn flock. Son of Arbryn Attila. A tremendous eye catching ram who court my eye on a farm visit earlier in the year. He stands extremely well on his legs with length and style and exceptional back end. Look forward to see his progeny this lambing.

We are Scrapie monitored, MV Accredited, FABBL registered. All ewes have been vaccinated with Toxovax & Enzovax. Scanned in- lamb to their AI date of 8th July or service date stated then ran with Sant Andras Barnstormer. All scanning results and genotypes will be available on the day of the sale. All ewes will be rescanned the week of the sale.

## **THE ARBRYN FLOCK IS MV ACCREDITED, SCRAPIE MONITORED & SIGNET RECORDED.**

We have been fortunate to achieve fantastic scanning results this year. To keep flock numbers at manageable levels we are able to offer All Yearling Ewes that held to AI at this year's sale & will retain all repeats. This is a unique opportunity to acquire breeding lines from our best families.

Showing has been highly rewarding with Breed championships at St Clears & Pembrokeshire County. The highlight however was winning the Royal Welsh interbreed Group of 3 with a home bred team.

***Royal Welsh Interbreed Group of 3***

On the sales front we were proud to gain Champion at NSA Builth 1 & Builth 2 and have this summer sold 12 ram lambs to pedigree flocks including a cracking January ram lamb to the Ralahine flock in Ireland privately.

We are pleased with feedback from last year's sale and are confident that this year's offering will go and do well for their new owners.

All the Ewes & Sires are ARR/ARR Group 1 families. Arbryn ewes will be re-scanned 2 days prior to sale & results declared.

Visitors are always welcome by appointment.

**ARBRYN SERVICE SIRE**  
**ARBRYN ATTILA 22WRF00908 - TI INDEX 330**

Having lost Washington unexpectedly we retained his son out of our show ewe Arbryn Seren. Having used him last year his progeny have excelled and he has been used repeatedly again this year.

This year his son Arbryn Benjy stood champion at Bultth NSA main sale selling to the Shamrock flock but he has also produced excellent females

with his daughters being placed 3rd & 5th at the Royal Welsh and 2 of his progeny being part of the winning Interbreed Group of 3. He is the most powerful ram we have produced with tremendous live weight gain that he transmits to his progeny.

*Arbryn Benjy*

**LOGIE DURNO BARBARIAN 23ZNN49107**

Purchased in partnership with Roblestone at this years Premier sale he provides a new line of breeding by Crogham Aries.

I felt he had an eye catching presence and we are pleased that he proved very fertile on AI day. His dam was sold at the Logie Durno sale last year for 3,200 gns to Manor House where she produced an exceptional ewe lamb this year.

*Logie Durno Barbarian*

## **SIRES OF ARBRYN SALE EWES.**

### **LOANHEAD WASHINGTON-21WNC37523**

Washington was purchased at Worcester Premier I for 10,000gns. He impressed with his power & a tremendous hind quarter that is a must in our flock. He has transmitted these qualities to his progeny with tremendous growth & exceptional back ends .

He is a son of the 16,000 gns Foxhill Va Va Voom that was part of the winning interbreed pairs at the Royal Highland 2021 .

### **ARBRYN TONTO-18 WRF00573**

This home bred Ram has been a revelation with the quality of his progeny. His progeny are seriously heavily muscled with tremendous hind leg width. He was 1st prize shearling at Royal Welsh in 2019. His maternal sister Arbryn One & Only was champion at the Royal Welsh in 2016.

In 2020 2 of Tonto's maternal sisters sold at Hereford with Untouchable (see front cover) selling for 3,100gns and her sister selling to Rigghead for 1,600gns. His son Arbryn Viper has excelled producing champions at both Worcester & Dungannon Premier. Last year daughters of Tonto were top prices in the run for Elmwick & Robleston flocks

We are very pleased to be invited back to Hereford High Flyers Sale, last year was a very successful sale for the Robleston Flock and it's very rewarding to hear the purchasers are pleased with how the ewes have reared and bred.

We have 12 yearling ewes forward for sale, mainly sired by the 10,000 gns Loanhead Washington. He sure has left his stamp on them! Power, length and serious conformation. There are some real top breeders amongst these ewes.

All ewes are ARR/ARR scrapie tested and MV accredited. They have all been enzovaxed, Toxovaxed vaccinated and on the Heptavac P system.

All ewes have been scanned in-lamb and will be re-scanned a few days before the sale, with scanning results available on the day.

We would like to take this opportunity to again thank all our customers over the last year.

We have had another pleasing year in the sale and show ring. At the Premier sale we sold ram lambs up to 2200gns. The Royal Welsh show was our most successful to date with what we feel is the best ewe lamb we have ever bred. She was first in a very strong class and went on to be the Reserve Overall Champion. At Brecon County show she was Charollais Champion and was part of the Champion Interbreed Group of Three.

This year we will be offering 14 ewe lambs, the first two lots were part of the show team this year and the remainder were shorn at the beginning of May. We made the decision after our production sale in 2019 to only run a small early lambing flock therefore to keep numbers low we have only selected two ewe lambs to retain, the remainder will be all offered for sale this year. All the ewe lambs are ARR/ARR, they were sampled by our vet and tested through SAC. They are on the Heptavac P system.

Again, we believe this is a great opportunity to purchase some great blood lines from our flock including full sisters to the Royal Welsh Reserve Champion.

Thank You

*Royal Welsh Show 2023 Reserve Overall  
Champion, Wernfawr Ewe Lamb*

We are delighted to be invited back as vendors again to the Hereford High Flyers Sale. This year we have six fantastic yearling ewes for sale from some top bloodlines. Having culled harshly over the last few years these are ewes we feel will go on and do well.

This year we were delighted to sell Sant Andras Barnstormer (pictured right) at the Worcester Premier Sale to the Elmwick Flock for 1,400gns. Barnstormer is a correct, tight skinned ram with a great backend and these traits can be seen in his two maternal sisters, Lots 38 and 43 who are being sold today.

***Sant Andras Barnstormer***

We were also thrilled to see David Lewis, Pembroke Flock, sell his ram lamb Pembroke Bulletproof (pictured below) privately to Declan Miley in Southern Ireland. Bulletproof is out of an ewe we sold to David in 2021 and has subsequently been flushed twice!

Our ethos remains to breed from strong maternal lines and to cross these with genetics that compliment. We hope therefore that the ewes for sale will go on and do well for their prospective purchasers.

***Pembroke Bulletproof***

All ewes are Enzovaxed, Toxovaxed and on the Heptavac P+ System

## **SANT ANDRAS SERVICE RAMS WERNFAWR ALI (22XEVO1955)**

Ali is an embryo brother to the first prize ram lamb at the Royal Welsh Show in 2022 who went to top the ram lambs at Builth II that year at 2,000gns. Ali is also sired by Logie Durno Wall St who sold for 8,500gns and in his first year bred the Charollais champion at the Royal Welsh Show 2022 for Glyncoch and Wernfawr Ace who topped the Worcester Premier Sale at 15,000gns. Ali is a stylish, tight skinned tup with a great backend. All our ewes forward today are in lamb to him. We can't wait to see what he produces!

Once again we are delighted to be invited as a vendor for the High Flyers Female Production Sale at Hereford market.

This year has been a quieter year at Bronwydd, but we did manage to attend two local shows, including Fishguard Show, where our ewe lamb was Interbreed Female Champion, her full sister is entered for the sale. Our ram sale season also ended on a positive note at the NSA Built Ram sale, where we gained a 1st and a 2nd in the individual show classes and a 1st prize in the pen classes.

The sheep forward are from some of our strongest families with relatives throughout our own flock. There are descendants of each of our flush ewes included in our entry. Of note are the three ewe lambs, the breeding behind them is the very best our flock has to offer.

The females are run on a largely commercial system with the ewe lambs grazed off farm all summer and then being out-wintered on forage alone. They were shorn in May and have not spent a night indoors until the final week before sale. The ewes will also have been given a limited amount of concentrates in the weeks running up to sale. We have every confidence they will go on to perform well for any potential purchaser.

After he was seen by two esteemed sheep men earlier this year and being told "whatever you do, don't sell him!" we decided to keep Brein as our new Stock Ram for 2023.

We are pleased to offer six of our best yearling ewes all sired by Logie Durno Winston, shared with the Skyfall flock, bought privately and in our opinion the best lamb at Logie Durno that year.

We offer four ET sisters out of our special ewe 19XEV01473 purchased here as a ewe lamb for 1900gns two natural born shearlings from very correct stock ewes.

All ewes are on the Heptavac P system. Genotyping will be available on the day of sale, but all rams and dams used are group one.
