This year has been very challenging with the lack of rain, no grass and very little hay made. We still managed to attend 3 shows winning the ewe lamb class at the Royal Three Counties with Elmwick Donna. A further 9 firsts, 5 seconds, 2 res breed champions, 2 breed champions, Interbreed group of 3, Interbreed Continental & 2 supreme Interbreed champion at Bucks County & Moreton in Marsh with senior ewe Elmwick Willow (pictured right).

At the beginning of the year with much deliberation the decision was made to reduce the Elmwick flock down to a much more manageable number (not an easy decision to have made).

**Elmwick Willow 21DQ02547** - Interbreed at Bucks County & Moreton in Marsh 2025

**LOT 30 - (24DQ03113) Elmwick Willow & Bicton Busta Interbreed group at Bucks County 2025**

## *Service Sires*

### **Loanhead Bright Spark 23WNC49329 ARR/ARR**

Bright Spark is a big, very stylish ram by the 15k Logie Durno All Star, out of the Knighton ewe which bred 7k Loanhead Al Pacino. He is the sire of Elmwick Countdown who has been retained as a stock ram and breeding exceptional ewe lambs and rams lambs. Bright Spark is also the sire of Elmwick Donna 1st placed ewe lamb at the Royal Three Counties show this year, a very well fleshed ewe lamb with extreme style and presence.

### **Bicton Busta 23VAA00038 ARR/ARR**

Busta is a very correct, tight skinned ram with a deep well muscled back end, length and style. He has been used in the flock for 3 years, breeding well fleshed, correct lambs. Busta this season was placed 1st at Bucks County also in the Interbreed group of 3 and 1st and Res. Breed Champion at Moreton in Marsh show

We would like to thank all purchasers and under bidders at last year's sale. It was good to hear all the positive feedback with 2 ram lambs being retained and used in their pedigree flocks this year.

We are MV Accredited, FABBL registered. All ewes have been vaccinated with Toxovax & Enzovax and Blue Tongue vaccinated. All shearling ewes are ARR/ARR and were sampled by our vet and tested through SAC. Scanned in-lamb to their AI date of 9th July or otherwise stated All Scanning results will be available on the day of the sale. All ewes will be rescanned the week of the sale.

Scanning has gone well and apart from one bearing quads we have entered all the yearlings that were in lamb to AI day. This is a great opportunity to acquire breeding lines from our best proven families.

We are pleased with feedback from last year's sale and are confident that this year's offering will do well for their new owners. It was pleasing a son of Boyo Commander made the record price of 14k for Edstaston at Carlisle this year. The dam of Commander was Arbryn Untouchable that sold to Dave Roberts for the top price at this sale in 2020.

We only showed at the Royal Welsh this year and had a really pleasing show with an all home bred team: -

- Reserve Champion overall and 1st prize with our Senior ewe - a daughter of Attila
- 4th Yearling Ewe - Lot 21 (a daughter of Barbarian)
- 2nd Ewe Lamb
- 1st Group of 3 that went on to win Reserve Interbreed Group overall. A tremendous honour with 44 breeds competing.

The sires of the sale sheep have done well. Arbryn Attila sired the Reserve Champion female at the Royal Welsh this year whilst Logie Durno Barbarian owned in Partnership with Robleston sired the Champion for Gareth at NSA Builth Main Sale and many of the top prices with his run of Yearlings.

## **Arbryn 2025 Service Sires Tullyear Crusader 24QY05020**

*(pictured right)*

Purchased with Robleston at Dungannon for 4,800 gns last year his late born lambs show great promise. He is a son of Duiske V Man out of a Logie Durno Van the Man ewe. His different breeding appealed to us together with his style and tremendous top.

**Bronwydd Double Decker 25WAJ01151** (*pictured below*)

A lamb with serious power and great presence. Purchased by Gareth Jones privately I was kindly allowed to use him. He is a son of Bronwydd Brenin who was out of Vancouver and a daughter of Arbryn Rhiana that Bronwydd & Pembroke bought for 3,100 gns at this sale in 2021. One of the best lambs I have seen from Bronwydd. I used Brenin this year and was really pleased with the results with one of his sons being Reserve Champion at Builth 1.

All the Ewes & Sires are ARR/ARR Group 1 families.

Arbryn ewes will be re-scanned 2 days prior to sale & results declared.

The Arbryn flock is MV Accredited, Scrapie Monitored & Signet Recorded.

We would like to take the opportunity to thank our customers over the last year.

We have had another pleasing year in the sale and show ring. Due to Bluetongue restrictions we elected to go to the Carlisle Supreme sale where we sold Ram Lambs up to 3,000gns to an average of £1810.20 for 5 lambs. Sisters to most of these are offered in the sale.

At the NSA early sale at Brecon, we had overall champion with Wernfawr Chieftain, topping the sale at 3,500gns. At the NSA Main sale at Builth Wells we had 1st prize December Ram Lamb selling for 3,000gns. The pen of 8 averaged £1365.

We attended our normal two shows, The Royal Welsh and Brecon County show. At the Royal Welsh we had 1st and 3rd Prize Ewe Lambs, 2nd Prize Ram lamb and he was Reserve Male Champion, 2nd Prize Shearling Ram and Reserve Group of 3. The 1st Prize Ewe lamb is entered in this sale (Lot 64). At Brecon County Show we had the Champion and Reserve Charollais and Interbreed group of 3. The Champion was 19XEVO1923, this was the first time we have shown her, and we have some of her daughters entered in this sale.

We are pleased to be offering 12 Ewe Lambs. They are all on the Heptavac P system and have been Bluetongue vaccinated. All sheep are ARR/ARR and were sampled by our vet and tested through SAC. Our strategy is still to run a small flock, and so the majority of our ewe lambs are for sale, and we believe this is a great opportunity to purchase some great bloodlines.

All the best to all bidders and buyers

Thank you

Maureen, Paul and Ally

I am delighted again to be invited into the High Flyers sale, thanks to Jen, Arwyn and Paul.

I was extremely happy to get top price Shearling ewe last year with Pembroke Bling Bling, (*see front cover*) a stunning ewe selling to Skelton Whin and also have one selling to Paul Curran at Wernfawr and others going to great homes.

This year I have eight top end Shearling ewes from some tremendous families that I'm sure will go on and produce something special.

Forward will be daughters from Knockin Wisteria, overall breed champion and interbreed champion Royal 3 Counties show 2022 and what a ewe she is. Bronwydd 710 who has bred quality everytime with 2 lovely daughters sold here last year. Also 3 shearling ewes forward by homebred ewes from the famous 328 family and Arbryn Viper family. One daughter by Arbryn 704 who bred a shearling ewe to 2000gns last year and brothers to 5.5k and last one super daughter off my Arbryn 778 ewe who has bred to 4000gns (Pembroke Crafty).

***Service sires this year are extremely exciting.***

**Bachymbyd Bomber (22YMH03502)**

A very special ram, the best I've ever used and everyone who's seen him this year said Wow that's a unreal sheep.

**Foxhill Benadict (23XWY00885)**

A ram that breeds a real stamp and very correct with great carcase and skins.

All ewes were Blue Tongue vaccinated in May and have had Toxovac and Enzovac.

If anyone wants to view them you are very welcome 📞 07814 794266

Once again, we are delighted to be a vendor for the High Flyers Female Production Sale at Hereford market.

The sheep forward for this sale have relatives throughout our own flock, many with breeding lines travelling right back to our foundation stock. Through the use of flushing we are able to both retain and sell females

***Breed Champion at Bath and West Show 2025,  
purchased at this sale in 2024. Full sister  
24WAJ01081, sells in this sale.***

from our strongest families. Included in the sale is a full-sister to last year's top price ewe lamb, that went on to be Breed Champion at the Bath and West Show for Messrs Collard. Another lamb sold to Tom Newth in 2023 went on to be 1st Prize yearling ewe at the Three Counties Show in 2024 and then bred a ram lamb sold for 3000gns at this year's premier sale. I'm sure there will be more breeders and show winners amongst this year's consignment.

The females are run on a largely commercial system with the ewe lambs grazed off farm all summer and then being out-wintered on forage alone at a family dairy farm. They were shorn in April and have not spent a night indoors until the final week before sale. The ewes will have been given a limited amount of concentrates in the weeks running up to sale. We have every confidence they will go on to perform well for any potential purchaser.

## ***SIRES & SERVICE SIRE.***

### **BRONWYDD BRENIN (23WAJ01001)**

Sired by Boyo Vancouver out of a ewe by Arbryn Tonto purchased at this Sale in 2021 for 3100gns. He is a smart, well fleshed ram with a tremendously tight skin. He has continued to breed exceptionally well, with this year's lambs being observed by many as the best bunch of lambs to have been at Bronwydd yet! His sons have sold to 3200gns and 2200gns at the Worcester Premier Sale in 2024 and another of his sons Bronwydd Double Decker sold privately to Messrs Jones, Robleson Hall before this year's sale season began.

### **ARBRYN VIKING (20WRF00729)**

Top price ram lamb at the NSA Main sale in 2020. He has bred exceptionally well over several years in our flock with ram lambs selling to 1650gns. His daughters have proved to be excellent milky flock ewes. He sired Ifan's show ewe lamb this year which was never beaten in her class.

### **KNOCKIN CRACKER (24XXJ01623)**

Purchased privately from Abbie Moseley last year, he was our pick of her 2024 born lambs. From the moment I saw him in the field I knew he was the one I wanted!! Sired by Bronwydd Wild Thing and out of the same ewe as Knockin Whiskey Mac, stock ram at Mortimers, he is a very smart, tight skinned ram with a tremendous back end. We have high hopes of him, and have used him on all our unrelated ewes this year.

All ewes were AI'd on the 13th of July and are scanned in-lamb for this date.

This year we will be dispersing the last of our Charollais flock after 16 years in the breed. We are grateful to Arwyn, Paul and Jennifer for inviting us once again to take part in the Hereford High Flyers sale. Tom and I have benefitted greatly from our involvement with such an active Society and in particular the friendships we have made with many of the people around it.

Highlights for us were selling Sergeant Major (pictured below) to Michael and Alymer Power, Ballyhibben for 9,000gns at the Worcester Premier Sale in 2017.

His breeding line is still prominent in the flock and it is fair to say that Sergeant Major had a major influence as a stock ram in Ireland with his progeny winning several "All Ireland" accolades over three seasons.

Following the Worcester Premier we went on to win the breed championship at the Royal Welsh Show with Pistol Pete (pictured below) and the Welsh flock competition.

We also achieved reserve champion at the Builth NSA Main sale in 2017 with Sant Andras Sancho Panza and fortunate to have gained interbreed titles in 2014, 2017, 2022.

The 2022 ewe lamb interbreed champion remains in the flock and is offered for sale (Lot No. 7 and pictured right - 22WJG00773).

Our breeding lines have been influenced by many flocks but Castellau, Glyn Coch, Wernfawr, Ffrwd, and Arbryn probably deserve a special mention.

### ***Service Sires***

#### **Glyn Coch Bolt**

Sired by Glyn Coch Arkle, a full brother to Wernfawr Ace sold to Logie Durno for 15,000gns at the Worcester Premier in 2022, and a full brother to Glyn Coch Ace who sired Wernfawr's ram Lamb Interbreed Champion RWAS 2024.

#### **Moelfryn Bouncer**

Five of our ewes are in lamb to Moelfryn Bouncer, 4 exceptional home bred yearlings and one of our foundation ewes YET 1889. Bouncer's progeny sold to 6,000gns at Worcester this year.

Sadly due to a combination of work commitments, Tom moving on to pastures new and family illness we have made the difficult decision to sell our remaining flock. All our ewes are Scrapie genotyped and Group I, they have all been Enzo and Toxovaccinated and all are Blue Tongue vaccinated. Ewes were AI'd on July 13th and ran with Glyn Coch Bolt thereafter.

We would like to thank all those that have supported us over the years and wish all buyers the very best of luck with their purchases.

This is the second year the Prestleigh flock has been invited to offer both shearling ewes and ewe lambs at the Hereford High Flyers Sale.

While the Prestleigh flock hasn't been as active as last year on the showing scene, preferring to remain on more local ground at the start of the season due to heavy workloads, sale season has remained strong, with sales from home higher than ever and a 3000gns flock record at the Premier Sale this year.

The five shearling ewes are powerful females that have breed character in abundance, great shape, mobility and carcass attributes, all of which are daughters from some of the flock's best performing females. Meanwhile, the two ewe lambs have both been shown successfully at both Devon County Show and the Royal Bath and West Show.

The service sire is the privately purchased Boyo Drambuie (*pictured below*). Purchased for his style and skin, Drambuie is a son of Oakchurch Apache out of Boyo Betty Boo.

Both ewe lambs are by the male and reserve champion from the Royal Bath and West 2024 and reserve male champion (reserve to his son who

went on to stand reserve breed champion) at the Royal Three Counties Show, Wernfawr Awesome. Awesome was purchased at NSA Builth Sale in 2022 for 2000gns having stood reserve interbreed ram lamb at the Royal Welsh Show that year. Both lambs exhibit their sire's strong carcass characteristics, presence and depth of gigot and would make tremendous additions in any flock.
