MR C W MARWOOD & SON (FOULRICE)

This year at Foulrice we have an excellent draft of 18 in lamb shearling ewes and 10 ewe lambs. They are all sired by proven stock sires, including Foulrice Aristocrat who is sire to our Female Champion at the Great Yorkshire show Foulrice Classy.

Foulrice Diadem - son of Foulrice Belle who won several interbreeds and took overall champion at GYS 2025. He has produced excellent females including 3 in our show team.

Carnew Eye of the Tiger - Our exciting new stock ram from Jonny Aiken, his pedigree incorporating Oakchurch Apache and Ffrwd Top Notch (Top Notch being by Edstatston Sotogrande who is in the pedigree of Foulrice Belle).

All Al'd on the 9th July, blue tongue vaccinated with Bultavo 3 on the 8th May, on the Heptavac P plus system and mineral bolused.

A young lamb out of our old show ewe.

MRS DEBORAH WHITCHER (GALTRES)

We are pleased to offer 10 March/April born ewe lambs. Our primary aim is to breed top class quality rams for the commercial farmers, which starts by having the right genetics within our ewe base - which these lambs have been selected from.

*This has certainly come through this year, having won 2nd prize pen class at NSA early sale at Brecon and achieving top priced ram there at 3000gns
1st prize pen of shearling rams at NSA eastern region ram sale at Rugby
1st prize pen of shearling rams and 1st prize pen of rams lambs at the NSA sale at Melton Mowbray.*

At our local market, Thirsk ram sale we also had 1st prize continental ram with a Charollais shearling which went onto be the MV accredited champion.

We are confident that these lambs will go on and produce exceptional rams

General Data Protection Regulation

From the 25th May 2018 the above regulation comes into force which covers every business or organisation which processes data held on an individual.

This means that we won't be able to publish information about you or the stock you enter in sales including catalogues, reports and representations made at the time of sale from our records, without your permission.

As the pre-sale catalogue is the most important marketing device in persuading an intending buyer to attend a sale we intend to make the publishing of your name and part of your address (as is currently the case) an entry requirement. We will not be allowing entry of stock accompanied by non-disclosure of vendors name in catalogues as this would undermine the integrity of the pre-sale information essential for intending buyers.

Additionally we like to inform you about sales, sale changes, legislation changes relating to auctions (when appropriate) and price trends to inform your decision to market your stock. We do this via phone, email, occasional farm visit and text.

All of this is the current service we provide and if you would like us to continue to do this then please tick the separate authorisations below:
