After a tough dry summer with grass scarce scanning has gone well and we have entered virtually all the yearlings that were in-lamb to AI day. This is a great opportunity to acquire breeding lines from our best proven families.

We are pleased with feedback from last year's sale and are confident that this year's offering will go and do well for their new owners.

Last year we sold 24WRF01204 to new breeder Lewis Williams carrying twins. She reared her lambs with the ewe lamb being placed 2nd at the 3 Counties at Malvern, her twin brother was placed 4th but more remarkable the mother & her 2 lambs then went on to win the Group of 3. This must be a first but well done Lewis for bringing them out so well (see photo

below). 2 maternal sisters are included in this year's sale.

We were also pleased that our top priced yearling from last year reared a stunning ewe lamb for the Lavenham flock, and we have also had good feedback from many of last year's repeat customers.

SERVICE SIRES

THACKWOOD DESTINY 25GU08539

Our exiting purchase from the Premier Sale displaying tremendous power & great width throughout. Not many tups get shown as ram lambs and still make it as yearlings but Destiny has done it all. Last year as a lamb he won the Great Yorkshire and went on to be reserve male champion & this year he won the shearling class at the Royal Highland, Male Champion and Reserve Overall. His semen was top quality on AI day and this sale is a tremendous opportunity to purchase his offspring

Destiny winning shearling class at Royal Highland

All the Ewes & Sires are ARR/ARR Group 1 families. Arbryn ewes will be re-scanned 2 days prior to sale & results declared. The Arbryn flock is MV Accredited, Scrapie Monitored & Signet Recorded. All sheep BTV on 25/04/2026.

Firstly, we would like to take the opportunity to thank our customers over the last year.

Our strategy over recent years has been to run a small flock but this year with a change in work commitments we have decided to further reduce our sheep numbers across all breeds.

We are only retaining two ewe lambs to hopefully show next year, all remaining ewe lambs will be offered for sale; the best 15 are entered here. This is a great opportunity to purchase the best bloodlines from our flock and show potentials for next year. We are also offering two flock ewes and two shearling ewes.

We have had another pleasing year in the show ring. At the Royal Welsh Show we had 1st and 2nd prize in the ewe lamb class, 1st and 3rd prize ram lambs, 1st prize group of three which went on to be Interbreed group of three. Embryo sisters to the ram lambs and ewe lambs are included in this sale. At Brecon County Show we had Champion Charollais and Interbreed group of three.

At the NSA main sale at Builth we had 1st prize ram lamb which went on to sell for 1,500gns and 1st prize and Reserve Champion pen.

SERVICE SIRE

She also produced our highest priced ewe lamb at this sale in 2024 and was a grand dam of the ram lamb we sold at the NSA main sale for 3,000gns in 2025.

Interbreed group of three Royal Welsh Show 2026

Six are sired by Hollylodge Bon Accord (see photo below) who was champion in Dungannon 2023, and two by Arjane Klansman.

All the ewes were vaccinated with Bultavo-3 on 12/06/26 and are on the Heptavac P system

We would like to thank Arwyn, Jennifer and Paul for inviting us to offer shearling ewes at this year's Hereford High Flyers Sale.

We are pleased to offer eight top quality shearling ewes carrying some of the best bloodlines within the flock and we are confident they will continue to do well for their new owners.

All shearlings were out-wintered until mid-March and have only received concentrates during the final four weeks leading up to the sale. All are on the Heptavac programme and have been vaccinated for Bluetongue. A highlight of the year came at Worcester Premier Sale, where we sold Glyncoch Discoland for 5,000gns.

SIRES AND SERVICE SIRES

Moelfryn Bouncer - A ram that has left a tremendous stamp on the flock since being jointly purchased privately from Gethin Davies as a lamb. In 2024, he sired Glyncoch Corach Rambler, which sold for 4,000gns, and Glyncoch Champagne, 1st Prize Ewe Lamb and Reserve Champion at the Royal Welsh 2024. In 2025, he sired Glyncoch Cash is King which sold for 6,000gns and Glyncoch Double Top which sold for 3,000gns in Worcester Premier Sale. Glyncoch Champagne was shown successfully again last year, winning Supreme champion at the Royal Welsh.

Bronwydd Wise Guy - A ram that has bred extremely well for the Moelfryn flock where he has sired ram lambs selling to 3,200gns.

Glyncoch Cash is King

Glyncoch Champagne

Glyncoch Ace- Probably the best ram we have had on the farm. He is a full brother to Wernfawr Ace sold for 15,000gns. He sired the 1st prize ram lamb and reserve male champion at the RWAS 2024, who went on to win the interbreed champion Ram lamb. In 2025, he sired yearling rams up to 3,500gns and ram lambs up to 3,000gns.

Cavick Da Vinci Code - Jointly purchased at Worcester Premier sale 2025 for 10,000gns. He needs little introduction, having sired ram lambs selling to 16,000gns in his first year of breeding, whilst also siring the 1st prize ram lamb and ewe lamb at this year's Royal Welsh Show.

Cavick Da Vinci Code

Wernfawr Elite 26XEVO2853 - A son of Cavick Da Vinci Code, offering both size and power. We have used him heavily across the flock this year and are excited to see his progeny. Dam 21XEVO1750 is a very consistent breeder who has produced the first prize ewe lamb at the Royal Welsh Show for two years in a row. Last year's ewe lamb was consequently sold at this sale for 3,000gns.

Once again, we are delighted to be a vendor for the High Flyers Female Production Sale at Hereford market. 2026 has been a challenging year for most sheep farmers across the UK, with limited grass growth across the summer months. But our sheep have faired remarkably well and we are pleased to forward 8 yearling ewes for sale.

Hollylodge Dynamite

The sheep forward for this sale have relatives throughout our own flock, many with breeding lines travelling right back to our foundation stock. Through the use of flushing we are able to both retain and sell females from our strongest families. Some examples this year would be; Two full-sisters to Bronwydd Clooney, sold for 2200gns to Tom Newth at the Premier

Sale in 2024. Last year's show ewe lamb, who is from the same family as the 3200gns Bronwydd Casanova sold to Grant Pink at the same sale. And a daughter of Arbryn Wanda who has bred yearlings to 2000gns and ewe lambs to 1500gns sold at this sale for both myself and the Pembroke flock. As always, I'm sure there will be more breeders and show winners amongst this year's consignment.

The females are run on a largely commercial system with the ewe lambs grazed off farm all summer and then being out-wintered on forage alone at a family dairy farm. They were shorn in April and have not spent a night indoors until the final week before sale. The ewes will have been given a limited amount of concentrates in the weeks running up to sale. We have every confidence they will go on to perform well for any potential purchaser.

SIRES & SERVICE SIRES.

Bronwydd Brenin - Sired by Boyo Vancouver out of a ewe by Arbryn Tonto purchased at this Sale in 2021 for 3100gns. He is a smart, well fleshed ram with a tremendously tight skin. He has continued to breed exceptionally well. His sons have sold to 3200gns and 2200gns at the Worcester Premier Sale in 2024 and another of his sons Bronwydd Double Decker sold privately to Messrs Jones Roblestone Hall.

Knockin Cracker - Purchased privately from Abbie Moseley, he was our pick of her 2024 born lambs. From the moment I saw him in the field I knew he was the one I wanted!! Sired by Bronwydd Wild Thing and out of the same ewe as Knockin Whiskey Mac, stock ram at Mortimers, he is a very smart, tight skinned ram with a tremendous back end. He has bred some smart eye-catching females, reflected in this run of ewes.

Hollylodge Dynamite - Champion lamb at Dungannon Premier Sale in 2025. Purchased in partnership with Gareth Jones, Roblestone for 10,000gns. He has a fantastic carcass and strong head as well as being from one of the most consistent families in the Hollylodge flock. The small number of February born lambs we had from him last year show great promise, therefore we have used him heavily this time round.

All ewes were AI'd on the 12th of July and are scanned in-lamb for this date.

Bronwydd Clooney sold at Premier Sale for 2200gns. He has two full sisters and a maternal sister in the sale

This year sees my third year of being invited to offer Prestleigh females at the Hereford High Flyers Sale and following last year's success topping the sale in both the shearling ewe and ewe lamb sections, I do believe this year's entries do not disappoint!

The shearling female run on offer has been carefully selected to present buyers with either potential quality show lambs due to service sire selection or potential flush ewes due to the depth of the proven pedigrees within these females. One or two are most definitely reluctant sales and would certainly make the flock's own flushing team if retained.

The service sire for all these females is the 16,000gns Robleston Elite, the sale topper at this year's Worcester Premier Sale (see photo). I'm hugely

Robleston Elite

impressed with how this ram lamb is growing and is showing length, power, depth of gigot, as well as the bonus of presence and attitude.

This year's show ring attendance throughout the UK has been limited to certain times of the year due to heavy work commitments, but the flock has had tremendous success at the Devon County Show at the start of the season winning the interbreed championship.

This then followed with a winning streak in every class at the Royal Bath and West, culminating in a breed championship and a reserve interbreed win at the same show.

Royal Cornwall Show then ended the Prestleigh run of south-west based shows with a female and reserve breed championship win, following with a successful first ever trip to the Royal Welsh Show with top placings in each class entered.

Similar genetics to what are being offered in this catalogue have been selected for flushing this year, reflecting the confidence I have in these females entered in this catalogue.

I'd like to thank all those that have already shown interest in the stock and have supported me along the way, as well as my fellow Hereford High Flyers vendors for allowing me this opportunity to join the sale again. More details on the sheep entered, including photographs and videos can be found on the Prestleigh Facebook page and Country Girl Media Tik Tok platform.

It is with great pleasure that I have been invited into this special sale again, thanks to Jen, Paul and Arwyn

Last year's sale was very successful for all flocks and its clear to see that quality was the order of the day and this year will be no different, I have a super run of in-lamb yearlings and two selected breeding ewes which I think will go on and produce something special. The dams of this year's run are particularly special breeders in the flock, there are 2 lovely daughters of the great Knockin Wisteria, 2 full sisters by Arbryn 00778 a ewe that breeds exceptionally well. Also 2 full sisters out of Arbryn 00704 a ewe that has bred some very high priced rams including a stunning lamb sold privately this spring for £4000. I also have the first offering from Foxhill Alice a tank of a ewe that is a particular favourite in the flock. And also a very late born Bomber daughter which will be a real nice breeding ewe.

Service sire Bachymbyd Colorado a ram purchased from Builth NSA 25 and is a real sort being very correct and have tremendous bone, skin and carcase, he was only shown once this year where he was 1st senior ram and reserve male Champion. First lambs on the ground look very promising with several very nice ram lambs coming through for 2027

SIRES:

Foxhill Benadict

Has bred very well with rams to 4000gns Pembroke Crafty (2 full sisters in the sale)

Boyo Vancouver

A legend in recent years that just breeds quality, has bred lambs with me to 7500gns

(23XWY00885)***

Bachymbyd Bomber

A very special ram that has given a large number of very high quality lambs this year to a top of 4500gns Pembroke Easy Tiger to Fursdon. Ewe lambs are particularly good and will be a very good run for next year.

Loanhead Al Pacino

Bred some very nice sheep over the years for Cavick. The two yearlings in the sale I think very highly of to the great Arbryn 00704

All ewes have been Enzovac, Toxovac and Blue Tongue Vaccinated in May

Shearling Ewes

MR TOM NEWTH (PRESTLEIGH)

All these shearlings were AI'd on the 7th July and are scanned in lamb to the 16,000gns Roblestone Elite, the highest priced tup at this year's Worcester Premier Sale. The following females have been selected from some of the best performing females in the flock, providing a rare opportunity to purchase both potential show/sale lambs and flush ewes.

Dam is a triplet born out of the 2600gns Arbryn Atta Girl, top price female at the High Flyers sale in 2023, when purchased as a shearling. Atta Girl herself has had a successful show career winning female and breed championships. She is the only daughter from her offered for sale to date. Scanned twins

Dam : Prestleigh (21WSG01195) **DS:** Ballyhunsley Victorious (20XSR01052)

This January born yearling is certainly a reluctant sale. She is a big, powerful, sparky shearling full of presence and would certainly be a contender for flushing next year if she stayed. Dam is a big, well fleshed ewe that always catches the eye and regularly breeds a top end lamb. Sire was purchased for 4000gns as a lamb from Worcester Premier sale for his scale, power and breed character. Scanned single

Dam : Wernfawr (22XEVO1930) **DS:** Logie Durno Wall St (21ZNN37395)

Another difficult decision to make. This Belt and Braces daughter is full of muscle and has the potential to be a ram breeder. Dam is a Wernfawr female purchased as a lamb at High Flyers for 2000gns in 2022 and was shown successfully as a shearling. Scanned twins

Dam : Springhill (21WLK05676) **DS:** Rhaeadr Undercover (19XXK02025)

Dam always produces the goods in the form of a show or a sale leading sheep. Sire needs no introduction for the flock and has certainly shaped the power and depth of gigot in the Prestleigh females. Awesome was purchased as top price ram lamb at Builth having stood reserve Interbeed ram lamb at the Royal Welsh that year. Scanned twins
