FOREWORD

Welcome to the very first major female production sale of the Robleston and Rowlestone Charollais, Texel and Suffolk flocks, alongside the complete dispersal of the Robleston Bluefaced Leicester flock.

It has always been an ambition of the family to host a production sale of all breeds and, all being well, this will be something we do every three or four years.

In the spring, we reviewed every flock and culled any animals that did not meet our standards, ensuring that only the very best genetics were selected for this sale.

- All sheep were BTV vaccinated Bultavo 3 on the 15th June this year.
- All sheep were footvaxed this autumn.
- All on Heptavac P system.
- All dipped on 5th October this year.
- All ewes have been vaccinated with Enzovax and Toxovax.

We pride ourselves on producing with a commercial mindset to suit our tup buyers at NSA Builth Sale and more recently, Kelso Ram Sales. The females are no different and those on offer today have been selected from milky families that have consistently bred well for us.

It has certainly been a difficult decision to disperse the Bluefaced Leicester flock and we will touch on that in greater detail further in the catalogue. The flock has served us incredibly well and there are certainly some strong females being offered.

A sale of this size doesn't happen overnight and we would like to thank everyone who is responsible for making this happen, from the staff and family at home, to Geraint, Chrissy and Aled for their trimming expertise, Chrissie and the Country Girl Media team for the catalogue design and pre-sale marketing, the staff at Hereford Livestock Market and of course, the auctioneers Rory Matthews and James Amphlett.

We would also like to thank the many agricultural businesses that have supported the sale by taking advertising in the sale catalogue.

We truly believe there is something for everyone in this sale and we wish all prospective buyers the very best of luck with their purchases.

All the best and many thanks

John, Carol, Gareth, Cathy, Osian, Dylan and Olivia Jones

CHAROLLAIS SERVICE SIRES

CAVICK DA VINCI CODE 25WVW01769
BRED BY: Mr and Mrs M E Britten

SIRE: SPRINGHILL BUTTERFLY EFFECT
DAM: 21ZNN37386 – LOGIE DURNO

Da Vinci Code requires no introduction, purchased in partnership at the Worcester Premier Sale in 2025 with the Glyn Coch, Wernfawr and Moelfre flocks, for 10,000gns. He stood ram lamb champion and reserve overall on the day and has since bred well for all flocks, producing the 16,000gns Robleston Elite, as well as ewe lambs to 3600gns for Wernfawr. He has scale, power, natural fleshing and immense breed character.

HOLLYLODGE DYNAMITE 25XWZ01077
BRED BY: Messrs McConnell Bros

SIRE: BALLYNOE HOUSE COMANCHE
DAM: 22XWZ00812 – HOLLYLODGE

Dynamite was purchased at the 2025 Dungannon Sale for 10,000gns, having been tapped out as champion by Gareth Jones on the day. He was purchased in partnership with the Bronwydd flock of Emyr Hughes.

He is an impressive tup with great scale, power, growth and breed character. Used on some of the later lambing females in his first year, his lambs have shown great promise.

BRONWYDD DOUBLE DECKER 25WAJ01151
BRED BY: Emyr Hughes

SIRE: BRONWYDD BRENIN
DAM: 20WAJ00706 – BRONWYDD

Double Decker was purchased privately in 2024 for £5000. Having been impressed with his growth rates, natural fleshing and presence, he has grown in to an impressive ram and has certainly added scale to the flock. He's out of one of the most prolific Ffrwd U Belter sired dam lines in the Bronwydd flock.

THACKWOOD DARK STORM 25GU08584
BRED BY: Messrs Wales

SIRE: SPRINGHILL CORKER
DAM: 21YGU05401 - WATTWOOD

Dark Storm was purchased at this year's Premier Sale as a shearling ram for 4800gns. By Springhill Corker, a ram that has bred well for the Thackwood flock, he's out of a Wattwood dam which carries Ffrwd Top Notch on the sire side.

CHAROLLAIS ONE CROP EWES

While the Charollais are managed to suit our commercial minded customer based, we do enjoy showing them locally and at the Royal Welsh Show over the years where we have had success in both ram lamb and shearling ram classes. Robleston Be Rich won his class in 2023 and went on to win the shearling ram class the following year before being sold for £7000 to Esmor Evans. In 2025 we won the ram lamb class again, which later sold privately at the show to Patrick Tully.

This year saw Richard Bamforth win the breed championship at the Great Yorkshire Show with the senior ram, Robleston Arnie and we celebrated our highest priced Charollais to date, selling the ram lamb, Robleston Elite, for 16,000gns to Tom Newth and Robleston Electric selling for 6000gns to Jac Thomas, Dafolog, resulting in a pen average of £6090 at the Worcester Premier Sale.

The Robleston flock has won the best pen competition at NSA Builth Sale in 2025 and 2026 and has also taken the championship in the pre-sale classes in the same years. Notably, this year's champion sold for 2200gns to the Probert family's Mortimer flock, with another going to the same flock for 4000gns, while the reserve champion in 2024 sold for 3500gns to Messrs Owens and David Roberts.

We have used a mix of bought in rams and homebred rams and have purchased the odd flushing female. Last year saw the purchase of the entire adult portion of the Arbryn flock, adding some phenomenal genetics to the depth of the Robleston flock. **Females were AI'd on the 18th August 2026 and have then run with their service sires.**

Our flock show ewe, she stood 2nd as a shearling ewe at RWAS 2025. We think an awful lot of this female and she's straight out of our flush team where she gave 12 eggs, she would make a great flush ewe for a new or established breeder. This is without doubt a reluctant sale, but we wanted to offer some of the best ewes within the flock. The dam 4338 is maternal sister to Robleston Superman, which sold to Springhill. This family has always bred super stars.

We sold this ewe at The Hereford High Flyers Sale in 2022 as a smart, flashy shearling ewe to a young lad starting out with Charollais. Sadly, things didn't go to plan for him and Arwyn Thomas, being the gentleman he is and always willing to help the younger generation, bought her along with some others to help out. Fast forward to last year when Arwyn decided to downsize for health reasons, we bought his entire adult portion of flock ewes and she came back into my hands through no fault of her own. She is the dam of Arwyn's sale leader at this year's Hereford High Flyers at 3000gns.
She's a real breeder and owes us nothing, so we've decided to donate this ewe to the charity, Parkinson's UK. Arwyn has always helped others, and I feel this ewe is a fitting gift for something that's close to Arwyn and Jane's heart.

Daughter from Arbryn flock sold at Hereford High Flyers Sale '26 for 3000gns.

ROWLESTONE TEXELS

A strong commercial ethos runs through the heart of the Texel flock with a view to producing shearling rams with size, stretch and natural fleshing ability for our customers at NSA Builth Ram Sale and the females on offer today mirror that completely. Our 2026 run of 30 Texels in Builth averaged £1580 and topped at £2600. Meanwhile, the Kelso pen averaged £2280 and topped at £3000.

We certainly don't carry any passengers in the flock and the females offered in this sale come from proven, milky families with size, scope and carcass characteristics.

ROBLESTON BLUEFACED LEICESTER DISPERSAL

Dispersing the Bluefaced Leicester flock is one of the hardest decisions we have made in a long time. With the dairy herd expanding, it's not allowing us the time the Blues deserve, so we feel it's right to allow others to breed from what we feel is a cracking bunch of ewes.

Our flock was established in 1995 with the purchase of the Iceland flock. We've built it up over the years to produce top quality lambs and yearlings. We've had great success over the years winning male and female champions at the Royal Welsh Show. A move to being MV-accredited means we have sadly ceased showing them.

One of our all-time highlights in the show ring was winning the interbreed group of three at the Royal Welsh Show in 2018. In the sale ring, we've sold females to 3600gns in Hereford in 2022 and males to 4200gns.

We've also had several excellent home buyers who have been taking all yearling rams from home. The ewes on offer are as good a bunch of females we've had in a long time. We hope to see them go on and breed for other flocks in years to come.

M2 SOLD IN HEREFORD 2023 FOR 3600GNS.

SERVICE SIRE AND SIRE OF EWE LAMBS

4425/V1 LOGIE DURNO

SIRE: 65/T1 BURNDALE
DAM: 4425/N41 BY K1 BURNDALE
We purchased this lamb last autumn privately from the Ingram family of Logie Durno as the pick of the bunch. He's by the £7500 Burndale T1 and has done a fantastic job in his first season and never left a black lamb.

All ewes were AI'd to him on the 5th September and have ran with him since. All scanning results will be available at time of sale.

ROWLESTONE SUFFOLKS

It's a fitting chapter in the family's sheep breeding enterprise that we offer a major female production sale in the Rowlestone flock's 65th anniversary year, having established the flock in 1961.

The females on offer in this catalogue truly represent the key characteristics of the Rowlestone flock; strong, functional ewes capable of producing quality shearling rams. Our first run of 30 shearling rams at this year's NSA Builth Sale topped at £2625 and averaged £1710, while our first run of Suffolk rams at Kelso ram Sales topped at £3000 and averaged £2280 for the pen. The shearlings catalogued are full sisters to those rams.

AI dates and service sires are listed below and females have been running in respective groups with those AI sires.

SUFFOLK SHEARLING EWES

SUFFOLK EWE LAMBS

We have selected the very best of our ewe lamb crop from sires that have all bred well in the flock. Logiedurno Bruiser was Kelso champion in 2024 and is a meat machine of a ram, while Springfield Black Magic is a real black, silky ram and has left some wonderful females. Sitlow Risk It was purchased for 3500gns and has knitted well with our females in his first season. These lambs have not been pushed and will no doubt be a great addition to any flock.
